The Issuer shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein; provided that if such a notice expressly states that it is conditioned upon the effectiveness of other credit facilities or the closing of a specified transaction, such notice may be revoked by the Issuer (by written notice to the Purchasers on or prior to the specified effective date) only if such condition is not satisfied. Any prepayment pursuant to this Section 2.07(a) shall be accompanied by (x) all accrued interest on the principal amount of the Notes prepaid, (y) any Make-Whole Amount and/or Prepayment Premium required under Section 2.07(d), if and to the extent applicable, in respect of the Notes prepaid and (z) all fees, costs, expenses, indemnities and other amounts due and payable hereunder at the time of prepayment. Each such prepayment shall be applied (1) first, to all costs, expenses, indemnities and other amounts due and payable hereunder, (2) then, to payment of default interest, if any, (3) then, to payment of any Prepayment Premium required by Section 2.07(d), if and to the extent applicable, (4) then, to payment of any Make-Whole Amount required by Section 2.07(d), if and to the extent applicable, (5) then to payment of accrued interest, and (6) thereafter, to the payment of principal (which may be applied to reduce the quarterly payments of principal on the Notes being repaid pursuant to Section 2.08, in such order as Issuer may direct).

(b) [Reserved].

(c) Mandatory Prepayment upon Change of Control. Upon the occurrence of a Change of Control, the Issuer shall prepay all of the Notes together with all accrued and unpaid interest thereon, plus any Make-Whole Amount and/or Prepayment Premium required by Section 2.07(d), if and to the extent applicable, plus all other Obligations then due and owing. In connection with any prepayment pursuant to this Section 2.07(c), the Issuer shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations to the extent such laws and regulations are applicable in connection with such prepayment.

(d) Make-Whole Amount; Prepayment Premium. If all or any portion of the Notes is prepaid, or required to be prepaid pursuant to this Section 2.07, Article IX or otherwise, then, in all cases, the Issuer shall pay to the Purchasers, on the date on which such prepayment is prepaid or required to be prepaid, in addition to the other Obligations so prepaid or required to be prepaid, a Make-Whole Amount and/or a Prepayment Premium, in each case as and to the extent applicable.

2.09 Interest.

(a) Pre-Default Rate. Subject to the provisions of subsection (b) below, during any Interest Period, the Notes shall bear interest during such Interest Period on the outstanding principal amount thereof at a rate per annum at all times equal to the Pre-Default Rate, which interest shall be payable quarterly in arrears in accordance with this Section 2.09.

(b) Default Rate. In the event the Issuer fails to pay any of the Obligations when due (after giving effect to any applicable grace or cure period), or upon the occurrence and during the continuance of any other Event of Default:

(i) immediately (and without notice or demand by any Purchaser or the Collateral Agent for payment thereof) to the Issuer, all outstanding Obligations shall thereafter accrue interest at a rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Payment or acceptance of the increased interest rate provided in this Section 2.3(b) is not a permitted alternative to timely payment of any Obligations and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of the Collateral Agent or any Purchaser

(ii) upon the request of the Required Purchasers, the Issuer shall, following such request, pay interest on all outstanding Notes at an interest rate per annum equal to the Default Rate to the fullest extent permitted by applicable Laws, and

(iii) accrued and unpaid interest on any and all past due amounts (including interest on past due interest) shall be due and payable entirely in cash on demand of any Purchaser or the Collateral Agent.

(ii) Interest on the Notes is due and payable quarterly on each Interest Payment Date, as calculated by the Collateral Agent (which calculations shall be deemed correct absent manifest error, provided that the Collateral Agent shall provide evidence of

such calculation upon the Issuer's written request), commencing on the Interest Payment Date occurring in the calendar quarter immediately following the Closing Date; provided, however, that if any such date is not a Business Day, the applicable interest shall be due and payable on the next succeeding Business Day immediately after such date.

(iii) Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

(d) Conforming Changes. In connection with the use or administration of Term SOFR, the Collateral Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Note Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Note Document. The Collateral Agent will promptly notify the Issuer and the Purchasers of the effectiveness of any Conforming Changes in connection with the use or administration of Term SOFR.

(e) Benchmark Replacement Setting. Notwithstanding anything to the contrary herein or in any other Note Document:

(i) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Note Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (a) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Note Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Note Document and (y) if a Benchmark Replacement is determined in accordance with clause (b) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Note Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Purchasers without any amendment to, or further action or consent of any other party to, this Agreement or any other Note Document so long as the Collateral Agent has not received, by such time, written notice of objection to such Benchmark Replacement from the Purchasers comprising the Required Purchasers. If the Benchmark Replacement is Daily Simple SOFR, all interest payments will be payable on a quarterly basis.

(ii) Conforming Changes. In connection with the implementation and administration of a Benchmark Replacement, the Collateral Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Note Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Note Document.

(iii) Notices; Standards for Decisions and Determinations. The Collateral Agent will promptly notify the Issuer and the Purchasers of (A) the implementation of any Benchmark Replacement and (B) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Collateral Agent will notify the Issuer of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to sub-clause (iv) below and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Collateral Agent or, if applicable, any Purchaser (or group of Purchasers) pursuant to this Section 2.09, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be

2.10 Upfront Fee; Warrants; Amendment Fee.

(a) Upfront Fee. The Issuer and each Purchaser agrees that on the Closing Date, the Issuer shall pay to each Purchaser its ratable portion of an upfront fee in an aggregate amount equal to \$1,125,000.00 (the “Upfront Fee”). The Issuer agrees that the Upfront Fee shall be (i) paid in Dollars, (ii) fully earned upon the Closing Date, (iii) nonrefundable for any reason and (iv) in addition to, and not creditable against, any other fee, cost or expense payable under the Note Documents.

(b) Warrants. Parent and each Purchaser agrees that on the Closing Date, Parent shall issue the Warrants to each of the Purchasers, in each case in form and substance reasonably satisfactory to the Purchasers.

(c) Amendment Fee. The Issuer and each Purchaser agrees that on the Maturity Date (or such earlier date on which the all Obligations under the Notes are paid in full), the Issuer shall pay to each Purchaser its ratable portion of an amendment fee in an aggregate amount equal to the three percent (3.0%) of the outstanding principal under the Notes on the Effective Date; provided, however, that, if the Notes are prepaid in full on or before the 12-month anniversary of the Effective Date, the Amendment Fee will be reduced to an amount equal to one percent (1.0%) of the outstanding principal under the Notes on the Effective Date; provided, further, that, if the Notes are prepaid in full any time from the 12-month anniversary of the Effective Date up to and including the 24-month anniversary of the Effective Date, the Amendment Fee will be reduced to an amount equal to two percent (2.0%) of the outstanding principal under the Notes on the Effective Date (the “Amendment Fee”). The Issuer agrees that the Amendment Fee shall be (i) paid in Dollars, (ii) fully earned upon the Effective Date, (iii) nonrefundable for any reason and (iv) in addition to, and not creditable against, any other fee, cost or expense payable under the Note Documents; provided, that any fees earned, due and payable under that certain Waiver to Note Purchase Agreement, dated as of November 9, 2022, among the Issuer, the Parent, the Purchasers, the Collateral Agent and the other parties thereto, will be credited against the Amendment Fee.

2.11 Computation of Interest.

All computations of interest shall be made on the basis of a 360-day year and actual days elapsed. Interest shall accrue on the Notes for the day on which the Notes are issued, and shall not accrue on the Notes, or any portion thereof, for the day on which the Notes or such portion is paid.

2.12 Payments Generally.

(a) General. All payments to be made by the Issuer shall be made free and clear of and without condition or deduction for any counterclaim, defense, recoupment or setoff. Subject to Section 9.03, all payments of principal, interest, any applicable Make-Whole Amount, any applicable Prepayment Premium and fees on the Notes and all other Obligations payable by any Note Party under the Note Documents shall be due, without any presentment thereof, directly to the Purchasers, at such office or bank account as may be specified by each Purchaser from time to time by written notice to the Issuer, with the Obligations paid on a *pro rata* basis (subject to the ultimate sentence of Section 2.07(a)). The Note Parties will make such payments in Dollars, in immediately available funds not later than 11:00 a.m. on the date due, marked for attention as indicated, or in such other manner or to such other office or account as the Purchasers may from time to time direct in writing. All payments received by the Purchasers after 11:00 a.m. shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by the Issuer shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest.

(b) Obligations of Purchasers are Several. The obligations of the Purchasers hereunder to purchase the Notes are several and not joint. The failure of any Purchaser to purchase the aggregate principal amount of the Initial Notes or Delayed Draw Notes to be purchased by it on any date required hereunder shall not relieve any other Purchaser of its corresponding obligation to do so on such date, and no Purchaser shall be responsible for the failure of any other Purchaser to purchase the aggregate principal amount of the Initial Notes or Delayed Draw Notes to be purchased by it.

(c) Funding Source. Nothing herein shall be deemed to obligate any Purchaser to obtain the funds to purchase any Note in any particular place or manner or to constitute a representation by any Purchaser that it has obtained or will obtain the funds to purchase any Note in any particular place or manner.

2.13 No Purchase of Notes. No Note Party or any of their respective Affiliates may acquire directly or indirectly any of the outstanding Notes, without the prior written consent of the Required Purchasers.

2.14 Sharing of Payments by Purchasers.

If any Purchaser shall, by exercising any right of setoff or otherwise, obtain payment in respect of any principal of or interest on its portion of any Note or any applicable Make-Whole Amount and/or Prepayment Premium in connection therewith resulting in such Purchaser's receiving payment of a proportion of the aggregate amount of the Note and accrued interest thereon and any applicable Make-Whole Amount and/or Prepayment Premium in connection therewith, greater than its *pro rata share* thereof as provided herein, then such Purchaser shall (a) notify the other Purchasers of such fact and (b) purchase for cash at face value, but without recourse, ratably from each of the other Purchasers such amount of the Notes held by each such other Purchaser (or interest therein), so that the benefit of all such payments shall be shared by the Purchasers ratably in accordance with the aggregate amount of principal of, accrued interest on and any Make-Whole Amount and/or Prepayment Premium in connection with, their respective portions of the Notes and other amounts owing them; provided, that:

(i) if any such purchase is made by any Purchaser, and if such excess payment or part thereof is thereafter recovered from such purchasing Purchaser, the related purchases from

the other Purchasers shall be rescinded ratably and the purchase price restored as to the portion of such excess payment so recovered, but without interest; and

(ii) the provisions of this Section 2.14 shall not be construed to apply to (x) any payment made by or on behalf of the Issuer pursuant to and in accordance with the express terms of this Agreement or (y) any payment obtained by a Purchaser as consideration for the assignment of any of its portion of the Notes to any assignee, other than an assignment to Parent or any Subsidiary (as to which the provisions of this Section 2.14 shall apply).

2.15 Expenses. The Issuer shall pay to or reimburse (or pay directly on behalf of) the Collateral Agent and, as applicable, each Purchaser, all of such Person's reasonable and documented Purchaser Expenses incurred through and after the Closing Date, promptly after receipt of a written demand therefor by such Purchaser or the Collateral Agent (with, in the case of any Purchaser, a copy of such demand to the Collateral Agent), setting forth in reasonable detail such Person's Purchaser Expenses (it being understood that with respect to all Purchaser Expenses incurred in connection with the Initial Agreement and the other Note Documents in effect prior to the Effective Date, all such Expenses have been paid or reimbursed by the Issuer prior to the Effective Date).

ARTICLE III

TAXES

3.01 Taxes.

(a) All payments of principal and interest pursuant to any Note Document and all other amounts payable hereunder shall be made free and clear of and without deduction for any present or future income, excise, stamp, documentary, property or franchise taxes and other taxes, fees, duties, levies, assessments, withholdings or other charges of any nature whatsoever (including interest and penalties thereon) imposed by any Governmental Authority, excluding (x) taxes imposed on or measured by net income imposed by the jurisdiction under which a Recipient is organized or in which its principal office or applicable lending office is located, (y) U.S. federal withholding taxes imposed on amounts payable to or for the account of a Recipient with respect to an applicable interest in any Note or Delayed Draw Note Commitment pursuant to a Law in effect on the date on which such Recipient acquires such interest in the Note or Delayed Draw Note Commitment (unless such acquisition occurs at the request of the Issuer pursuant to Section 10.04), except in each case to the extent that, pursuant to this Section 3.01, amounts with respect to such taxes were payable by such Recipient's assignor immediately before such Recipient became a party hereto and (z) U.S. federal withholding tax imposed under FATCA (all non-excluded items being called "Taxes"). If any withholding or deduction of any Taxes from any payment by or on account of any obligation of any Note Party hereunder is required in respect of any Taxes pursuant to any applicable Law, then (i) the applicable Withholding Agent shall be entitled to make such withholding or deduction and shall pay directly to the relevant Governmental Authority the full amount required to be so withheld or deducted, (ii) the applicable Withholding Agent shall promptly forward to the Recipient an official receipt or other documentation satisfactory to the Recipient evidencing such payment to such Governmental Authority and (iii) the sum payable by the applicable Note Party shall be increased by such additional amount or amounts as is necessary to ensure that the net amount actually received by the Recipient will equal the full amount such Recipient would have received had no such withholding or deduction been required.

(b) The Issuer shall indemnify each Recipient, within ten (10) days after demand therefor, for the full amount of any Taxes with respect to any Note Document or any payment thereunder, ("Indemnified Taxes") (including Indemnified Taxes imposed on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment by such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority.

(c) Each Purchaser that is not a U.S. Person that purports to become an assignee of an interest pursuant to Section 12.06 after the Closing Date (each such Purchaser a “Foreign Purchaser”) shall execute and deliver to the Issuer on or prior to the date that such Purchaser becomes a party hereto (and from time to time thereafter upon the reasonable request of the Issuer), one or more (as the Issuer may reasonably request) duly completed and executed copies of Internal Revenue Service Forms W-8ECI, W-8BEN, W-8BEN-E, W-8IMY (as applicable) and other applicable forms, certificates or documents prescribed by the United States Internal Revenue Service or reasonably requested by the Issuer certifying as to such Purchaser’s entitlement to any available exemption from or reduction of withholding or deduction of taxes. Each Purchaser that is a U.S. Person shall execute and deliver to the Issuer on or prior to the date such Purchaser becomes a party hereto (and from time to time thereafter upon the reasonable request of the Issuer), one or more (as the Issuer may reasonably request) duly completed and executed copies of Internal Revenue Service Form W-9 certifying that such Purchaser is not subject to United States backup withholding. The Issuer shall not be required to pay additional amounts to any Purchaser pursuant to this Section 3.01 with respect to taxes attributable to the failure of such Purchaser to comply with this paragraph.

(d) Each Purchaser agrees that if any form or certification it previously delivered pursuant to this Section 3.01 expires or becomes obsolete or inaccurate in any respect, it shall promptly update such form or certification or promptly notify the Issuer of its inability to do so.

(e) If, due to a change in Sections 871(h) or 881(c) of the Internal Revenue Code (or any successor provisions) after the date a Person becomes an Indirect Purchaser under this Agreement, any withholding is required to be made by a Purchaser or any Affiliate thereof to such Indirect Purchaser attributable to payments made by any Note Party hereunder, such Note Party shall pay to such Purchaser such additional amount or amounts as is necessary to ensure that the net amount actually received by any Indirect Purchaser will equal the full amount such Indirect Purchaser would have received had no such withholding or deduction been required; *provided* that in the event additional amounts are due in respect of an Indirect Purchaser, immediately before such Indirect Purchaser transfers a direct or indirect interest in a Purchaser to a transferee and withholding is required to be made by a Purchaser or any Affiliate to such transferee Indirect Purchaser attributable to payments made by any Note Party hereunder, a Note Party shall be required to pay additional amounts pursuant to this Section in an amount not exceeding the additional amounts payable prior to the transfer by the transferor Indirect Purchaser; *provided, further* that no such additional amounts shall be payable by a Note Party to the extent such withholding could have been avoided by any Indirect Purchaser and each entity in the chain of ownership between such Indirect Purchaser and the Purchaser providing Internal Revenue Service Forms W-9, W-8ECI, W-8BEN, W-8BEN-E or W-8IMY (as applicable) or any successor forms thereto, to the Purchaser or other entity in the chain of ownership between such Indirect Purchaser and the Purchaser, as applicable.

3.02 Survival.

All of the Note Parties’ obligations under this Article III shall survive any transfer of the Notes, the termination of the Delayed Draw Note Commitments, the repayment, satisfaction or discharge of the Obligations hereunder and the resignation or replacement of the Collateral Agent.

ARTICLE IV

GUARANTY

4.01 The Guaranty.

Each of the Guarantors hereby jointly and severally guarantees to each Purchaser and the Collateral Agent as hereinafter provided, as primary obligor and not as surety, the prompt payment of the Obligations of the Issuer and any other Guarantor in respect of the Notes issued by the Issuer in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration or otherwise) strictly in accordance with the terms thereof. The Guarantors hereby further agree that if any of the Obligations are

not paid in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration or otherwise), the Guarantors will, jointly and severally, promptly pay the same, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Obligations, the same will be promptly paid in full when due (whether at extended maturity, as a mandatory prepayment, by acceleration or otherwise) in accordance with the terms of such extension or renewal.

Notwithstanding any provision to the contrary contained herein or in any other of the Note Documents, the obligations of each Guarantor under this Agreement and the other Note Documents shall be limited to an aggregate amount equal to the largest amount that would not render such obligations subject to avoidance under the Debtor Relief Laws or any comparable provisions of any applicable state or federal law.

4.02 Obligations Unconditional.

The obligations of the Guarantors under Section 4.01 are joint and several, absolute and unconditional, irrespective of the value, genuineness, validity, regularity or enforceability of any of the Note Documents, or any other agreement or instrument referred to therein, or any substitution, release, impairment or exchange of any other guarantee of or security for any of the Obligations, and, to the fullest extent permitted by applicable law, irrespective of any law or regulation or other circumstance whatsoever which might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor, it being the intent of this Section 4.02 that the obligations of the Guarantors hereunder shall be absolute and unconditional under any and all circumstances. Each Guarantor agrees that such Guarantor shall have no right of subrogation, indemnity, reimbursement or contribution against the Issuer or any other Guarantor for amounts paid under this Article IV until such time as the Obligations (other than contingent indemnification obligations for which no claim has been asserted) have been paid in full and all Delayed Draw Note Commitments have expired or been terminated. Without limiting the generality of the foregoing, it is agreed that, to the fullest extent permitted by law, the occurrence of any one or more of the following shall not alter or impair the liability of any Guarantor hereunder, which shall remain absolute and unconditional as described above:

- (a) at any time or from time to time, without notice to any Guarantor, the time for any performance of or compliance with any of the Obligations shall be extended, or such performance or compliance shall be waived;
- (b) any of the acts mentioned in any of the provisions of any of the Note Documents, or any other agreement or instrument referred to in the Note Documents shall be done or omitted;
- (c) the maturity of any of the Obligations shall be accelerated, or any of the Obligations shall be modified, supplemented or amended in any respect, or any right under any of the Note Documents, or any other agreement or instrument referred to in the Note Documents shall be waived or any other guarantee of any of the Obligations or any security therefor shall be released, impaired or exchanged in whole or in part or otherwise dealt with;
- (d) any Lien granted to, or in favor of, the Collateral Agent or any Purchaser as security for any of the Obligations shall fail to attach or be perfected; or
- (e) any of the Obligations shall be determined to be void or voidable (including, without limitation, for the benefit of any creditor of any Guarantor) or shall be subordinated to the claims of any Person (including, without limitation, any creditor of any Guarantor).

With respect to its obligations hereunder, each Guarantor hereby expressly waives diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that the Collateral Agent or any Purchaser exhaust any right, power or remedy or proceed against any Person under any of the Note Documents, or any other agreement or instrument referred to in the Note Documents, or against any other Person under any other guarantee of, or security for, any of the Obligations.

4.03 Reinstatement.

The obligations of the Guarantors under this Article IV shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of any Person in respect of the Obligations is rescinded or must be otherwise restored by any holder of any of the Obligations, whether as a result of any proceedings in bankruptcy or reorganization or otherwise, and each Guarantor agrees that it will indemnify the Collateral Agent and each Purchaser on demand for all reasonable and documented out-of-pocket costs and expenses (but limited, in the case of legal counsel, to the reasonable and documented out-of-pocket fees, charges and disbursements of one primary counsel for the Collateral Agent and the Purchasers (taken as a whole), and, of a single local counsel to the Collateral Agent and the Purchasers (taken as a whole) in each relevant jurisdiction (and, in the case of an actual or perceived conflict of interest where the party affected by such conflict informs the Issuer of such conflict and thereafter retains its own counsel, of one additional firm of counsel for all such affected parties (taken as a whole))) incurred by the Collateral Agent or such Purchaser in connection with such rescission or restoration, including any such costs and expenses incurred in defending against any claim alleging that such payment constituted a preference, fraudulent transfer or similar payment under any bankruptcy, insolvency or similar law.

4.04 Certain Additional Waivers.

Each Guarantor agrees that such Guarantor shall have no right of recourse to security for the Obligations, except through the exercise of rights of subrogation pursuant to Section 4.02 and through the exercise of rights of contribution pursuant to Section 4.06.

4.05 Remedies.

The Guarantors agree that, to the fullest extent permitted by law, as between the Guarantors, on the one hand, and the Collateral Agent and the Purchasers, on the other hand, the Obligations may be declared to be forthwith due and payable as provided in Section 9.02 (and shall be deemed to have become automatically due and payable in the circumstances provided in said Section 9.02) for purposes of Section 4.01 notwithstanding any stay, injunction or other prohibition preventing such declaration (or preventing the Obligations from becoming automatically due and payable) as against any other Person and that, in the event of such declaration (or the Obligations being deemed to have become automatically due and payable), the Obligations (whether or not due and payable by any other Person) shall forthwith become due and payable by the Guarantors for purposes of Section 4.01. The Guarantors acknowledge and agree that their obligations hereunder are secured in accordance with the terms of the Collateral Documents and that the Purchasers may exercise their remedies thereunder in accordance with the terms thereof.

4.06 Rights of Contribution.

The Guarantors agree among themselves that, in connection with payments made hereunder, each Guarantor shall have contribution rights against the other Guarantors as permitted under applicable law. Such contribution rights shall be subordinate and subject in right of payment to the obligations of such Guarantors under the Note Documents and no Guarantor shall exercise such rights of contribution until all Obligations (other than contingent indemnification obligations for which no claim has been asserted) have been paid in full and all Delayed Draw Note Commitments have expired or been terminated.

4.07 Guarantee of Payment; Continuing Guarantee.

The guarantee in this Article IV is a guaranty of payment and not of collection, is a continuing guarantee, and shall apply to all Obligations whenever arising.

4.08 Limitation of Liability of the Norwegian Guarantor.

The obligations and liabilities of the Norwegian Guarantor under this Agreement shall be limited to the extent necessary to comply with the mandatory provisions of law applicable to it, including sections 8-7 to 8-10 cf. section 1-3 of the Norwegian Companies Act regarding unlawful financial assistance and

other restrictions on a Norwegian limited liability company's ability to grant security in favor of other group companies. The obligations of the Norwegian Guarantor under this Agreement shall always be interpreted so as to make the Norwegian Guarantor liable to the fullest extent permitted by the Norwegian Companies Act.

Without limitation to any other provision herein or in any other Note Document, while an Event of Default occurs and continues, at the Collateral Agent's or the Required Purchasers' request, representatives from the Issuer and the Collateral Agent shall promptly meet (in person or telephonically) to discuss in good faith how to collect, receive, appropriate and realize upon the Issuer's rights and interests in, to and under any Company IP Agreement, including in connection with any foreclosure or other exercise of the Collateral Agent's or any Purchaser's rights with respect thereto. The Issuer hereby appoints the Collateral Agent and any Related Party thereof as its lawful attorney-in-fact to file or record any documents necessary to perfect or continue the perfection of the Collateral Agent's security interest, for the benefit of the Purchasers and the other Secured Parties, in the Collateral regardless of whether an Event of Default has occurred until all Obligations (other than contingent indemnification obligations to the extent no claim giving rise thereto has been asserted) have been satisfied in full and no Purchaser is under any further obligation to make Delayed Draw Note Commitments hereunder. The foregoing appointment of the Collateral Agent and any Related Party thereof as the Issuer's attorney in fact, and all of the Collateral Agent's (or such Related Party's) rights and powers, coupled with an interest, are irrevocable until all Obligations (other than contingent indemnification obligations to the extent no claim

giving rise thereto has been asserted) have been fully repaid and performed and each Purchaser's obligation to provide Delayed Draw Note Commitments terminates.

9.05 Collateral Agent's Liability for Collateral.

So long as the Collateral Agent complies with applicable Law regarding the safekeeping of the Collateral in the possession or under the control of the Collateral Agent, the Collateral Agent shall not be liable or responsible for: (a) the safekeeping of the Collateral; (b) any loss or damage to the Collateral; or (c) any act or default of any other Person. (b) The Issuer acknowledges and agrees that if the Obligations are accelerated for any reason, any Make-Whole Amount and/or Prepayment Premium required by Section 2.07(d), as and to the extent applicable, will also be due and payable as though such Obligations were voluntarily prepaid and, in each case, shall constitute part of the Obligations, in view of the impracticability and extreme difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each Purchaser's lost profits as a result thereof. Any Make-Whole Amount and/or Prepayment Premium required by Section 2.07(d), payable pursuant to the preceding sentence shall be presumed to be the liquidated damages sustained by each Purchaser as the result of the early termination and the loss of its investment opportunity and not as a penalty, and the Issuer agrees that it is reasonable under the circumstances currently existing and waives any right to object thereto in any voluntary or involuntary bankruptcy, insolvency or similar proceeding or otherwise. Any Make-Whole Amount and/or Prepayment Premium required by Section 2.07(d), as and to the extent applicable, shall also be payable, in each case, in the event that the Obligations (and/or this Agreement) are satisfied or released by foreclosure (whether by power of judicial proceeding), deed in lieu of foreclosure or by any other means. TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE ISSUER EXPRESSLY WAIVES THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING MAKE-WHOLE AMOUNT AND/OR PREPAYMENT PREMIUM IN CONNECTION WITH ANY SUCH ACCELERATION. The Issuer expressly agrees that (i) any Make-Whole Amount and/or Prepayment Premium required by Section 2.07(d), as and to the extent applicable, is reasonable and is the product of an arm's length transaction between sophisticated business people, ably represented by counsel, (ii) any Make-Whole Amount and/or Prepayment Premium required by Section 2.07(d), as and to the extent applicable, shall in each case be payable notwithstanding the then prevailing market rates at the time payment is made, (iii) there has been a course of conduct between the Purchasers and the Issuer giving specific consideration in this transaction for such agreement to pay any Make-Whole Amount and/or Prepayment Premium required by Section 2.07(d), as and to the extent applicable, and (iv) the Issuer shall be estopped hereafter from claiming differently than as agreed to in this paragraph. The Issuer expressly acknowledges that its agreement to pay any Make-Whole Amount and/or Prepayment Premium required by Section 2.07(d), as and to the extent applicable, as herein described, is a material inducement to the Purchasers to purchase the Notes hereunder.

ARTICLE X

OTHER PROVISIONS

10.01 Increased Costs, Etc.

The Issuer agrees to reimburse the Purchasers for any increase in the cost to the Purchasers of, or any reduction in the amount of any sum receivable by the Purchasers in respect of, the Purchasers' Delayed Draw Note Commitments and the purchase or maintaining of the Notes hereunder that may arise in connection with any Change in Law, except for such changes with respect to increased capital costs and taxes which are governed by Section 10.02 and Article III, respectively; provided, that amounts shall only be payable by the Issuer to any Purchaser under this Section 10.01 so long as it is such Purchaser's general policy or practice to demand compensation of its other borrowers in similar circumstances under comparable provisions of other financing agreements and, upon the request of the Issuer, such Purchaser provides a certificate to such effect (with a copy of such certificate to the Collateral Agent). The Collateral Agent shall notify the Issuer in writing of the occurrence of any such event, stating the reasons therefor and the additional amount required fully to compensate the Purchasers for such increased cost or reduced amount. Such additional amounts shall be payable by the Issuer directly to the Purchasers within five days of its receipt of such notice, and such notice shall, in the absence of manifest error, be conclusive and binding on the Issuer; provided that the Issuer shall not be required to compensate the Purchasers pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Purchaser notifies the Issuer of the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

10.02 Increased Capital Cost.

If any Change in Law affects or would affect the amount of capital required or expected to be maintained by any Purchaser or any Person controlling such Purchaser, and such Purchaser determines (in good faith but in its sole and absolute discretion) that the rate of return on its or such controlling Person's capital as a consequence of the Delayed Draw Note Commitments or the Notes purchased by it hereunder is reduced to a level below that which such Purchaser or such controlling Person could have achieved but for the occurrence of any such circumstance, then upon notice from time to time by such Purchaser to the Issuer, the Issuer shall within five (5) days following receipt of such notice pay directly to such Purchaser additional amounts sufficient to compensate such Purchaser or such controlling Person for such reduction in rate of return; provided, that amounts shall only be payable by the Issuer to any Purchaser under this Section 10.02 so long as it is such Purchaser's general policy or practice to demand compensation of its other borrowers in similar circumstances under comparable provisions of other financing agreements and, upon the request of the Issuer, such Purchaser provides a certificate to such effect (with a copy of such certificate to the Collateral Agent); provided, further that the Issuer shall not be required to compensate the Purchasers pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Purchaser notifies the Issuer of the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof. A statement of such Purchaser as to any such additional amount or amounts shall, in the absence of manifest error, be conclusive and binding on the Issuer. In determining such amount, such Purchaser may use any method of averaging and attribution that it (in its sole and absolute discretion) shall deem applicable.

10.03 [Reserved].

10.04 Mitigation of Obligations; Replacement of Purchasers.

(a) If any Purchaser requests compensation under Section 10.01 or 10.02, or the Issuer is required to pay any Indemnified Taxes or additional amounts to any Purchaser, or any Governmental Authority for the account of any Purchaser pursuant to Section 3.01, then at the request of the Issuer, such Purchaser shall use commercially reasonable efforts to designate a different lending office for purchasing its Notes hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Purchaser such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01, 10.01 and 10.02, as the case may be, in the future, and (ii) in each case, would not subject such Purchaser to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Purchaser. The Issuer hereby agrees to pay all reasonable and documented out-of-pocket costs and expenses (including all reasonable and documented out-of-

pocket fees, charges and disbursements of counsel) incurred by any Purchaser in connection with any such designation or assignment.

(b) Replacement of Purchasers. If any Purchaser requests compensation under Section 10.01 or 10.02, or if the Issuer is required to pay any Indemnified Taxes or additional amounts to any Purchaser or any Governmental Authority for the account of any Purchaser pursuant to Section 3.01, and, in each case, such Purchaser has declined or is unable to designate a different lending office in accordance with Section 10.04(a), the Issuer may replace such Purchaser in accordance with Section 12.13.

ARTICLE XI COLLATERAL AGENT

11.01 Appointment and Authority

(a) Each of the Purchasers hereby irrevocably appoints BioPharma Credit PLC to act on its behalf as the Collateral Agent hereunder and under the other Note Documents and authorizes the Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to the Collateral Agent by the terms hereof or thereof, and to act as the agent of such Purchaser for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Note Parties to secure any of the Obligations, together with such powers and discretion as are incidental thereto. Except for the rights of the Issuer under Sections 11.06 and 11.09, the provisions of this Article XI are solely for the benefit of the Collateral Agent and the Purchasers, and neither the Issuer nor any other Note Party shall have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any other Note Documents (or any other similar term) with reference to the Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(b) In this connection, the Collateral Agent and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 11.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Collateral Agent, shall be entitled to the benefits of all provisions of this Article XI and Article XII, as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Note Documents) as if set forth in full herein with respect thereto.

11.02 Rights as a Purchaser

The Person serving as the Collateral Agent hereunder shall have the same rights and powers in its capacity as a Purchaser as any other Purchaser and may exercise the same as though it were not the Collateral Agent and the term “Purchaser” or “Purchasers” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Collateral Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Note Party or any Subsidiary or other Affiliate thereof as if such Person were not the Collateral Agent hereunder and without any duty to account therefor to the Purchasers.

11.03 Exculpatory Provisions

(a) The Collateral Agent shall not have any duties or obligations except those expressly set forth herein and in the other Note Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Collateral Agent:

(i) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or an Event of Default has occurred and is continuing;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Note Documents to which it is a party that the Collateral Agent is required to exercise as directed in writing by the Required Purchasers (or such other number or percentage of the Purchasers as shall be expressly provided for herein or in the other Note Documents), provided, that, the Collateral Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Collateral Agent to liability or that is contrary to any Note Document or applicable Law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law; and

(iii) shall not, except as expressly set forth herein and in the other Note Documents to which it is a party, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to any Note Party or any of its Affiliates that is communicated to or obtained by the Person serving as the Collateral Agent or any of its Affiliates in any capacity.

(b) The Collateral Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Purchasers (or such other number or percentage of the Purchasers as shall be necessary, or as the Collateral Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 12.01 and Section 9.02) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and non-appealable judgment. The Collateral Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given in writing to the Collateral Agent by the Issuer or a Purchaser.

(c) The Collateral Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Note Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Note Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in Article V or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Collateral Agent.

11.04 Reliance by Collateral Agent.

The Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the purchase of any Note, that by its terms must be fulfilled to the satisfaction of a Purchaser, the Collateral Agent may presume that such condition is satisfactory to such Purchaser unless the Collateral Agent shall have received notice to the contrary from such Purchaser prior to the purchase of such Note. The Collateral Agent may consult with legal counsel (who may be counsel for the Note Parties), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

11.05 Delegation of Duties.

The Collateral Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Note Document by or through any one or more sub-agents appointed by the Collateral Agent. The Collateral Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article XI shall apply to any such sub-agent and to the Related Parties of the Collateral Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Collateral Agent. The Collateral Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Collateral Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

11.06 Resignation of Collateral Agent.

The Collateral Agent may resign as Collateral Agent at any time by giving thirty (30) days advance written notice thereof to the Purchasers and the Issuer and, thereafter, the retiring (or retired) or terminated Collateral Agent shall be discharged from its duties and obligations hereunder. Upon any such resignation, the Required Purchasers shall have the right to appoint a successor Collateral Agent. If no successor Collateral Agent shall have been so appointed by the Required Purchasers or have accepted such appointment within thirty (30) days after the Collateral Agent's giving of notice of resignation, then the Collateral Agent may, on behalf of the Purchasers, appoint a successor Collateral Agent that is a Related Party of the Collateral Agent or any Purchaser; provided that, whether or not a successor has been appointed or has accepted such appointment, such resignation shall become effective upon delivery of the notice thereof. Upon the acceptance of a successor's appointment as Collateral Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Collateral Agent, and the retiring Collateral Agent shall be discharged from all of its duties and obligations under the Note Documents (if not already discharged therefrom as provided above in this Section 11.06), other than its obligations under Section 12.07. After the retiring Collateral Agent's resignation, the provisions of this Article XI and Section 12.13 shall continue in effect for the benefit of such retiring Collateral Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Collateral Agent was acting as Collateral Agent. Upon any resignation by the Collateral Agent, all payments, communications and determinations provided to be made by, to or through the Collateral Agent shall instead be made by, to or through each Purchaser (or, in the case of determinations, the Required Purchasers) directly, until such time as a Person accepts an appointment as Collateral Agent in accordance with this Section 11.06.

11.07 Non-Reliance on Collateral Agent and Other Purchasers.

Each Purchaser acknowledges that it has, independently and without reliance upon the Collateral Agent or any other Purchaser or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Purchaser also acknowledges that it will, independently and without reliance upon the Collateral Agent or any other Purchaser or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Note Document or any related agreement or any document furnished hereunder or thereunder.

11.08 Collateral Agent May File Proofs of Claim.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Note Party, the Collateral Agent (irrespective of whether the principal of any Note shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Collateral Agent shall have made any demand on the Issuer) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Notes and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Purchasers and the Collateral Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Purchasers and the Collateral Agent and their respective agents and counsel and all other amounts due the Purchasers and the Collateral Agent under Section 12.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Purchaser to make such payments to the Collateral Agent and, in the event that the Collateral Agent shall consent to the making of such payments directly to the Purchasers, to pay to the Collateral Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Collateral Agent and its agents and counsel, and any other amounts due the Collateral Agent under Section 12.04.

Nothing contained herein shall be deemed to authorize the Collateral Agent to authorize or consent to or accept or adopt on behalf of any Purchaser any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Purchaser or to authorize the Collateral Agent to vote in respect of the claim of any Purchaser in any such proceeding.

11.09 Collateral and Guaranty Matters.

Each Purchaser agrees that any action taken by the Collateral Agent or the Required Purchasers in accordance with the provisions of this Agreement or of the other Note Documents, and the exercise by the Collateral Agent or Required Purchasers of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Purchasers. Without limiting the generality of the foregoing, the Purchasers irrevocably authorize the Collateral Agent and Collateral Agent agrees at the request of the Issuer,

(a) to release any Lien on any Collateral granted to or held by the Collateral Agent under any Note Document (i) upon payment in full of all Obligations (other than contingent indemnification obligations for which no claim has been asserted) under the Note Documents, (ii) that is sold, transferred or otherwise disposed of to a Person other than a Note Party or Subsidiary as part of or in connection with any sale or other Disposition (including any Involuntary Disposition) permitted hereunder or under any other Note Document, or (iii) subject to Section 12.01, if approved, authorized or ratified in writing by the Required Purchasers;

(b) to release or subordinate any Lien on any property granted to or held by the Collateral Agent under any Note Document to the holder of any Lien on such property that is permitted by Section 8.01(i); and

(c) to release any Guarantor from its obligations under the Guaranty (i) if such Person ceases to be a Subsidiary as a result of a transaction permitted under the Note Documents or (ii) upon termination of all unused Delayed Draw Note Commitments and payment in full of all Obligations (other than contingent indemnification obligations for which no claim has been asserted) under the Note Documents.

Each of the Collateral Agent and the Purchasers ratify, reaffirm and agree to the terms of the Norwegian Release and agree that, for all purposes of the Norwegian Release, from and after the Effective Date any reference therein to the Initial Agreement shall be deemed to relate to this Agreement.

Upon request by the Collateral Agent at any time, the Required Purchasers will confirm in writing the Collateral Agent's authority to release or subordinate its interest in particular types or items of

property, or to release any Guarantor from its obligations under the Guaranty, pursuant to this Section 11.09.

The Collateral Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Collateral Agent's Lien thereon, or any certificate prepared by any Note Party in connection therewith, nor shall the Collateral Agent be responsible or liable to the Purchasers for any failure to monitor or maintain any portion of the Collateral.

In connection with any termination, release or subordination pursuant to this Section 11.09, Collateral Agent shall promptly, upon the request of any Note Party, (x) execute and deliver to such Note Party, at such Note Party's expense, all documents that such Note Party shall reasonably request to evidence such termination, release or subordination, and (y) deliver to the Note Parties, at the expense of the Note Parties, any portion of such Collateral so released in possession of the Collateral Agent.

To the extent that the Issuer or any other Note Party for any reason fails to indefeasibly pay any amount required under Section 2.15 to be paid by it to the Collateral Agent (or any sub-agent thereof) or any Related Party of any of the foregoing, each Purchaser severally agrees to pay to the Collateral Agent (or any such sub-agent) or such Related Party, as the case may be, such Purchaser's *pro rata* share (based upon the percentages as used in determining the Required Purchasers as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, damage, liability or related expense, as the case may be, was incurred by or asserted against the Collateral Agent (or any such sub-agent) in its capacity as such or against any Related Party of any of the foregoing acting for the Collateral Agent (or any sub-agent) in connection with such capacity

ARTICLE XII

MISCELLANEOUS

12.01 Amendments, Etc.

No amendment or waiver of any provision of this Agreement or any other Note Document, and no consent to any departure by the Issuer or any other Note Party therefrom, shall be effective unless in writing signed by the Required Purchasers and the Issuer or the applicable Note Party, as the case may be, and acknowledged by the Collateral Agent and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, further, that:

(a) no such amendment, waiver or consent shall:

(i) extend or increase the Delayed Draw Note Commitment of a Purchaser (or reinstate any Delayed Draw Note Commitment terminated pursuant to Section 9.02) without the written consent of such Purchaser whose Delayed Draw Note Commitment is being extended or increased (it being understood and agreed that a waiver of any condition precedent set forth in Section 5.02 or 5.03 or of any Default or a mandatory reduction in Delayed Draw Note Commitments is not considered an extension or increase in Delayed Draw Note Commitments of any Purchaser);

(ii) postpone any date fixed by this Agreement or any other Note Document for any payment of principal (excluding mandatory prepayments), interest, any applicable Make-Whole Amount and/or Prepayment Premium, fees or other amounts due to the Purchasers (or any of them) or any scheduled or mandatory reduction of the Delayed Draw Note Commitments hereunder or under any other Note Document without the written consent of each Purchaser entitled to receive such payment or whose Delayed Draw Note Commitments are to be reduced;

(iii) reduce the principal of, the rate of interest specified herein on or the amount of Make-Whole Amount or Prepayment Premium specified herein with respect to any Note, or any fees or other amounts payable hereunder or under any other Note Document without the written consent of each Purchaser entitled to receive such payment of principal, interest, fees or other amounts; provided, however, that, only the consent of the Required Purchasers shall be necessary to amend the definition of “Default Rate” or to waive any obligation of the Issuer to pay interest at the Default Rate;

(iv) change any provision of this Section 12.01(a) or the definition of “Required Purchasers” without the written consent of each Purchaser directly affected thereby;

(v) except in connection with a Disposition permitted under Section 8.05, release all or substantially all of the Collateral without the written consent of each Purchaser directly affected thereby, except to the extent the release of any Collateral is permitted pursuant to Section 11.09 (in which case such release may be made by the Collateral Agent);

(vi) release the Issuer or, except in connection with a merger, amalgamation or consolidation permitted under Section 8.04 or a Disposition permitted under Section 8.05, all or substantially all of the Guarantors without the written consent of each Purchaser directly affected thereby, except to the extent the release of any Guarantor is permitted pursuant to Section 11.10 (in which case such release may be made by the Collateral Agent);

(b) unless also signed by the Collateral Agent, no amendment, waiver or consent shall affect the rights or duties of, or any of the protections or benefits afforded to, the Collateral Agent under this Agreement or any other Note Document;

(c) any amendment or waiver pursuant to this Section 12.01 shall apply equally to all holders of the Notes and shall be binding upon them, upon each future holder of the Notes and upon the Note Parties, and shall amend the Notes, in each case whether or not a notation thereof shall have been placed on any such Note. Any such waiver shall be effective only in the specific instance and for the purpose for which given;

(d) notwithstanding any other provision contained in this Section 12.01 or elsewhere in this Agreement to the contrary, Notes which at any time are held by the Issuer or by any of its Affiliates shall not be deemed outstanding for purposes of any vote, consent, approval, waiver or other action required or permitted to be taken by the holders of Notes, or by any of them, under the provisions of this Section 12.01 or Section 9.02 of this Agreement, and neither the Issuer nor any of its Affiliates shall be entitled to exercise any right as a Purchaser or holder of Notes with respect to any such vote, consent, approval or waiver or to take or participate in taking any such action at any time; and

(e) Neither the Issuer nor any of its Affiliates will, directly or indirectly, pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, to any Purchaser as consideration for or as an inducement to the entering into by any Purchaser of any amendment, waiver or consent with respect to any of the terms and provisions of this Agreement or the other Note Documents, unless such remuneration is concurrently offered, on the same terms, ratably to all of holders of Notes which agree to such amendment, waiver or consent.

provided, however, that, notwithstanding anything to the contrary herein, (i) each Purchaser is entitled to vote as such Purchaser sees fit on any bankruptcy reorganization plan that affects the Notes, and each Purchaser acknowledges that the provisions of Section 1126(c) of the Bankruptcy Code of the United States supersedes the unanimous consent provisions set forth herein and (ii) the Required Purchasers shall determine whether or not to allow the Issuer to use cash collateral in the context of a bankruptcy or insolvency proceeding and such determination shall be binding on all of the Purchasers.

Notwithstanding anything to the contrary herein, the Collateral Agent and the Issuer may amend or modify this Agreement and any other Note Document to (1) cure any factual or typographical error, omission, defect or inconsistency therein, or (2) grant a new Lien for the benefit of the Purchasers, extend an additional Lien over additional property for the benefit of the Purchasers or join additional Persons as Note Parties.

12.02 Notices and Other Communications; E-mail and Facsimile Copies.

(a) Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile or electronic mail as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, in each case to the address, facsimile number, electronic mail address or telephone number specified for the Issuer, the other Note Parties (as of the Closing Date), and for the Purchasers (as of the Closing Date) and the Collateral Agent, as set forth on Schedule 12.02.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (b) below, shall be effective as provided in such subsection (b).

(b) Electronic Communications. Notices and other communications to the Collateral Agent or Purchasers hereunder may be furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Collateral Agent, provided, that, the foregoing shall not apply to notices to any Purchaser pursuant to Article II if such Purchaser has notified the Collateral Agent that it is incapable of receiving notices under such Article by electronic communication. Each of the Issuer, other Note Parties, the Collateral Agent and the Purchasers may each, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided, that, approval of such procedures may be limited to particular notices or communications.

Unless the applicable recipient otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement; provided that any notice or communication not so acknowledged shall be deemed received one (1) Business Day following delivery), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor; provided, that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice, email or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(c) Change of Address, Etc. Each of the Issuer, other Note Parties, the Purchasers and the Collateral Agent may change its address, facsimile or telephone number for notices and other communications hereunder by notice to the other parties hereto.

(d) Reliance by Collateral Agent and Purchasers. The Collateral Agent and the Purchasers shall be entitled to rely and act upon any notices purportedly given by or on behalf of any Note Party even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii)

the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Note Parties shall indemnify the Collateral Agent, each Purchaser and the Related Parties of each of them in accordance with Section 12.04 from any and all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of a Note Party; provided that such indemnity shall not, as to any Person be available to the extent that such losses, costs, expenses or liabilities are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Person. All telephonic notices to and other telephonic communications with the Collateral Agent may be recorded by the Collateral Agent (subject to contemporaneous notice from the Collateral Agent to such Person that the communication is being or will be recorded), and each of the parties hereto hereby consents to such recording.

12.03 No Waiver; Cumulative Remedies; Enforcement.

The Collateral Agent's or any Purchaser's failure, at any time or times, to require strict performance by the Issuer or any other Person of any provision of this Agreement or any other Note Document shall not waive, affect, or diminish any right of the Collateral Agent or any Purchaser thereafter to demand strict performance and compliance herewith or therewith. No waiver hereunder shall be effective unless signed by the party granting the waiver and then is only effective for the specific instance and purpose for which it is given. Each of the Collateral Agent's and Purchaser's rights and remedies and powers and privileges under this Agreement and the other Note Documents are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law. Each of the Collateral Agent and Purchasers has all rights and remedies provided under the UCC, by law, or in equity. The exercise by the Collateral Agent or any Purchaser of one right or remedy is not an election and shall not preclude the Collateral Agent or any Purchaser from exercising any other remedy under this Agreement or other remedy available at law or in equity, and the waiver by the Collateral Agent or any Purchaser of any Event of Default is not a continuing waiver. The Collateral Agent's or any Purchaser's delay in exercising any remedy is not a waiver, election, or acquiescence.

12.04 Expenses; Indemnity; and Damage Waiver.

(a) Costs and Expenses. The Note Parties shall pay (i) all reasonable and documented out-of-pocket expenses incurred by the Collateral Agent, each Purchaser and their respective Affiliates (limited, in the case of legal counsel, to the reasonable and documented out-of-pocket fees, charges and disbursements of one primary counsel for the Collateral Agent and the Purchasers (taken as a whole), one intellectual property counsel for the Collateral Agent and the Purchasers (taken as a whole) and of a single local counsel to the Collateral Agent and the Purchasers (taken as a whole) in each relevant jurisdiction), in connection with (A) the preparation, negotiation, execution and delivery of this Agreement and the other Note Documents and (B) any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated) or the administration of this Agreement and the other Note Documents and (ii) all reasonable and documented out-of-pocket expenses incurred by the Collateral Agent or any Purchaser (but limited in the case of legal counsel, to the reasonable and documented out-of-pocket fees, charges and disbursements of one primary counsel for the Collateral Agent and the Purchasers (taken as a whole), one intellectual property counsel for the Collateral Agent and the Purchasers (taken as a whole) and of a single local counsel to the Collateral Agent and the Purchasers (taken as a whole) in each relevant jurisdiction (and, in the case of an actual or perceived conflict of interest where the party affected by such conflict informs the Issuer of such conflict and thereafter retains its own counsel, of one additional primary firm of counsel for all such affected parties (taken as a whole) and one additional firm of counsel for all such affected parties (taken as a whole) in each relevant jurisdiction), in connection with the enforcement or protection of any of its rights and/or the exercise of any of its remedies under or otherwise arising out of or in connection with (A) this Agreement and the other Note Documents (including with respect to any of the Obligations or any Collateral), including its rights under this Section 12.04, or (B) the Notes made hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Notes.

(b) Indemnification by the Note Parties.

(i) The Note Parties shall, jointly and severally, indemnify the Collateral Agent (and any sub-agent thereof) and each Purchaser, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all Indemnified Liabilities, in all cases, whether or not caused by or arising, in whole or in part, out of the comparative, contributory or sole negligence of the Indemnitee; provided, that, such indemnity shall not, as to any Indemnitee, be available to the extent that any such Indemnified Liabilities (1) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee (or the gross negligence or willful misconduct of such Indemnitee’s affiliates or controlling Persons or any of their respective managers, members, partners, controlling Persons, directors, officers, employees, agents or sub-agents, advisors or affiliates), (2) result from a claim brought by any Note Party against an Indemnitee for material breach in bad faith of any of such Indemnitee’s obligations hereunder or under any other Note Document, if the Issuer has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction, or (3) result from a claim not involving an act or omission of Parent or any of its Subsidiaries that is brought by an Indemnitee against another Indemnitee (other than against the Collateral Agent in its capacity as such, or any similar role under this Agreement or any other Note Document). This Section 12.04(b) shall not apply with respect to (A) Taxes, other than any Taxes that represent liabilities, obligations, losses, damages, penalties, claims, costs, expenses and disbursements arising from any non-Tax claim or (B) yield protection matters covered by Sections 10.01 and 10.02, which shall be governed exclusively by Sections 10.01 and 10.02.

(ii) Notwithstanding the foregoing in this Section 12.04(b), the Issuer shall not be liable for any settlement of any proceeding effected without the Issuer’s consent (which consent shall not be unreasonably withheld, delayed or conditioned), but if settled with the Issuer’s written consent, or if there is a final and nonappealable judgment against an Indemnitee in any such proceeding, the Issuer shall indemnify and hold harmless each Indemnitee to the extent and in the manner set forth above. The Issuer shall not, without the prior written consent of an Indemnitee (which consent shall not be unreasonably withheld, conditioned or delayed), effect any settlement of any pending or threatened proceeding against such Indemnitee in respect of which indemnity could have been sought hereunder by such Indemnitee unless (A) such settlement includes an unconditional release of such Indemnitee from all liability or claims that are the subject matter of, or arise out of, such proceeding and (B) such settlement does not include any statement as to, or any admission of fault, culpability, wrongdoing or a failure to act by or on behalf of such Indemnitee.

(c) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable law, none of the Note Parties, the Collateral Agent, any Purchaser, any other party thereto or any Indemnitee shall assert, and each such Person hereby waives, and acknowledges that no other Person shall have, any claim against any other such Person, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Note Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Note or the use of the proceeds thereof; provided, that, the foregoing shall in no event limit the indemnification obligations of the Note Parties under clause (b) above to the extent such special, indirect, consequential or punitive damages are included in any third party claim in connection with which such Indemnitee is otherwise entitled to indemnification hereunder. No Indemnitee referred to in clause (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Note Documents or the transactions contemplated hereby or thereby, other than any liability arising from the bad faith, gross negligence, or willful

misconduct of such Indemnitee as determined by a court of competent jurisdiction by final and nonappealable judgment.

(d) Payments. All amounts due under this Section 12.04 shall be payable not later than five (5) Business Days after demand therefor.

(e) Survival. The agreements in this Section 12.04 and the indemnity provisions of Section 12.02(d) shall survive the resignation of the Collateral Agent, the transfer of any Note, the replacement of any Purchaser, the termination of the Delayed Draw Note Commitments and the repayment, satisfaction or discharge of all the other Obligations.

12.05 Marshalling; Payments Set Aside.

None of the Collateral Agent or the Purchasers shall be under any obligation to marshal any assets in favor of any Note Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any payment by or on behalf of any Note Party is made to the Collateral Agent or any Purchaser, or the Collateral Agent or any Purchaser exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Collateral Agent or such Purchaser in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred.

12.06 Successors and Assigns; Transfers.

(a) Successors and Assigns Generally. The provisions of this Agreement and the other Note Documents shall be binding upon and inure to the benefit of the parties hereto and thereto and their respective successors and assigns permitted hereby; provided, that neither the Issuer nor any other Note Party may assign or otherwise transfer any or all of its rights or obligations hereunder or thereunder without the prior written consent of the Purchasers. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, and, to the extent expressly contemplated hereby, the Related Parties of each of the Collateral Agent and the Purchasers) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Transfers by Purchasers. Any Purchaser may at any time, without the consent of the Issuer, sell, assign or transfer to any Person all or any part of, or any interest in: (i) any or all Notes (or any portion thereof) and/or any other Note Document or any of its rights or benefits hereunder or thereunder; and/or (ii) any of such Purchaser's obligations any or all Notes (or any portion thereof) and/or any other Note Document, including any and all Delayed Draw Note Commitments (or any portion thereof). Each purchaser, assignee or transferee pursuant to this Section 12.06(b) shall provide the Issuer and the Collateral Agent with (x) prompt written notice of any assignment or other transfer that is effected and (y) concurrently with any such assignment or other transfer, an officer's certificate from an authorized Person of such purchaser, assignee or transferee certifying to the matters contemplated by Article VI-A. All sales, assignments or transfers pursuant to this Section 12.06(b) shall be made in accordance with all applicable requirements of the Securities Act of 1933 and any applicable securities laws of any U.S. state.

(c) Participations. Any Purchaser may at any time, without the consent of, or notice to, the Issuer, sell or grant participations to any Person (each, a "Participant") in all or a portion of such Purchaser's rights and/or obligations under this Agreement (including all or a portion of its Delayed Draw Note Commitment and/or the Notes held by it); provided, that, (i) such Purchaser's obligations under this Agreement shall remain unchanged, (ii) such Purchaser shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) the Issuer, the Collateral Agent and the other Purchasers shall continue to deal solely and directly with such Purchaser in connection with such Purchaser's rights and obligations under this Agreement and

the other Note Documents, and (iv) any agreement or instrument pursuant to which such Purchaser sells or grants such participation shall provide that such Purchaser shall retain the sole right to enforce this Agreement and the other Note Documents and to approve any amendment, restatement, supplement or other modification hereto, in each case subject to the terms and conditions of this Agreement and the other Note Documents. The Issuer agrees that each Participant shall be entitled to the benefits of Section 3.01 (subject to the requirements and limitations therein (it being understood that the documentation required under Section 3.01(c) shall be delivered to the participating Purchaser)) and Sections 10.01 and 10.02 to the same extent as if it were a Purchaser and had acquired its interest by assignment pursuant to Section 12.06(b); provided, that, such Participant (A) agrees to be subject to the provisions of Sections 10.04 and 12.13 as if it were an assignee under Section 12.06(b) and (B) shall not be entitled to receive any greater payment under Section 3.01, 10.01 or 10.02, with respect to any participation, than the Purchaser from whom it acquired the applicable participation would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Purchaser that sells a participation agrees, at the Issuer's request and expense, to use reasonable efforts to cooperate with the Issuer to effectuate the provisions of Section 10.04 with respect to any Participant. To the fullest extent permitted by law, each Participant also shall be entitled to the benefits of Section 12.08 as though it were a Purchaser; provided, that, such Participant agrees to be subject to Section 2.14 as though it were a Purchaser.

(d) Transfer in Contravention of this Section Void. Any attempt to assign or otherwise transfer any Note or Delayed Draw Note Commitment (or portion thereof) not in compliance with this Agreement shall be null and void and neither the Issuer nor any transfer agent shall give any effect in the Issuer's Note register to such attempted assignment or transfer.

(e) No Future Liability. Following the sale of any Note or portion thereof by any Purchasers to any subsequent Purchasers pursuant to the terms hereof, the Purchasers shall not be liable or responsible to the Issuer for any losses, damages or liabilities suffered or incurred by the Issuer, including any losses, damages or liabilities under the Securities Act, arising from or relating to any resale or transfer of any security previously sold by the Purchaser in compliance with this Section 12.06.

(f) Securities Register. The Issuer will keep at its principal executive office a register, in which, subject to such reasonable regulations as it may prescribe, but at its expense, and the Issuer will provide for the registration and transfer of Notes. Whenever any Note shall be surrendered either at the principal executive office of the Issuer (or at the place of payment named in the Note), for transfer or exchange, accompanied, if so required by the Issuer, by a written instrument of transfer in form reasonably satisfactory to the Issuer duly executed by the holder thereof or by such holder's attorney duly authorized in writing, the Issuer will execute and deliver in exchange therefor a new Note or Notes, in such denominations as may be requested by such holder, of like tenor and in the same aggregate unpaid principal amount as the aggregate unpaid principal amount of the Note or Notes so surrendered. Any Note issued in exchange for any other Note or upon transfer thereof shall carry the rights to unpaid interest and interest to accrue which were carried by the Note so exchanged or transferred, and neither gain nor loss of interest shall result from any such transfer or exchange. Any transfer tax or governmental charge relating to such transaction shall be paid by the holder requesting the exchange. The entries in the register shall be conclusive and binding for all purposes, absent manifest error and the Issuer, the Purchasers and any of their respective agents may treat the Person in whose name any Note is registered as the sole and exclusive record and beneficial holder and owner of such Note for all purposes whatsoever. This Section 12.06(f) shall be construed so that such obligations are at all times maintained in "registered form" within the meaning of Section 163(f), 871(h)(2) and 881(c)(2) of the Internal Revenue Code and any related regulations (and any other relevant or successor provisions of the Internal Revenue Code or such regulations).

(g) Lost, Stolen Damaged or Destroyed Notes. At the request of any holder of any Note, the Issuer will issue and deliver at its expense, in replacement of any Note lost, stolen, damaged or destroyed, upon surrender thereof, if mutilated, a new Note in the same aggregate

unpaid principal amount, and otherwise of the same tenor, as the Note so lost, stolen, damaged or destroyed, duly executed by the Issuer. The Issuer may condition the replacement of a Note reported by the holder thereof as lost, stolen, damaged or destroyed, upon the receipt from such holder of an indemnity and/or security reasonably satisfactory to the Issuer; provided, that if such holder shall be a Purchaser or any affiliate or nominee thereof, such Purchaser's unsecured agreement of indemnity shall be sufficient for purposes of this Section 12.06(g).

(h) Transfer of Delayed Draw Note Commitments. Subject to compliance with the other provisions of this Section 12.06, any transfer of Notes or Delayed Draw Note Commitments shall be effective upon the execution and delivery, by the transferor and the transferee (to the extent required by Section 12.06(b), with the consent of the Issuer and the Required Purchasers), pursuant to an Assignment and Assumption.

(i) Pledges. Notwithstanding any of the foregoing provisions of this Section 12.06 to the contrary, each Purchaser may at any time pledge this Agreement or any other Note Document or any of its rights, benefits or obligations hereunder or thereunder, including with respect to any Note (or any portion thereof) to any Person without the Issuer's consent; provided, however, that no such pledge shall release such Purchaser from any of its obligations hereunder or substitute any such pledgee for such Purchaser as a party hereto.

12.07 Treatment of Certain Information; Confidentiality.

Any information regarding the Note Parties and their Subsidiaries and their businesses provided to the Collateral Agent or any Purchaser by or on behalf of any Note Party pursuant to the Note Documents shall be deemed "Information"; provided, however, that Information does not include information that is either: (i) in the public domain or in the possession of the Collateral Agent, any Purchaser or any of their respective Affiliates or when disclosed to the Collateral Agent, any Purchaser or any of their respective Affiliates, or becomes part of the public domain after disclosure to the Collateral Agent, any Purchaser or any of their respective Affiliates, in each case, other than as a result of a breach by the Collateral Agent, any Purchaser or any of their respective Affiliates of the obligations under this Section 12.07; or (ii) disclosed to the Collateral Agent, any Purchaser or any of their respective Affiliates by a third party if the Collateral Agent, such Purchaser or such Affiliate, as applicable, does not know (following reasonable inquiry) that the third party is prohibited from disclosing the information. Neither the Collateral Agent nor any Purchaser shall disclose any Information to a third party or use Information for any purpose other than the administration of the Note Documents, the exercise of its rights or remedies under the Note Documents or the performance of its duties or obligations under the Note Documents. The foregoing in this Section 12.07 notwithstanding, the Collateral Agent and each Purchaser may disclose Information: (a) to any of its Subsidiaries or Affiliates; (b) to prospective transferees, purchasers or participants of any interest in the Notes; (c) as required by law, regulation, subpoena, or other order, provided, that (x) prior to any disclosure under this clause (c), the Collateral Agent or such Purchaser, as applicable, agrees to endeavor to provide the Issuer with prior written notice thereof, and with respect to any law, regulation, subpoena or other order, to the extent that the Collateral Agent or such Purchaser is permitted to provide such prior notice to the Issuer pursuant to the terms hereof, and (y) any disclosure under this clause (c) shall be limited solely to that portion of the Information as may be specifically compelled by such law, regulation, subpoena or other order; (d) as the Collateral Agent or any Purchaser otherwise deems necessary or prudent under Sanctions, Anti-Money Laundering Laws, the FCPA, UKBA or other applicable anti-corruption laws, or Export and Import Laws, provided, that prior to any disclosure under this clause (d), the Collateral Agent or such Purchaser, as applicable, agrees to endeavor to provide the Issuer with prior written notice thereof to the extent practicable, and with respect to any law, regulation, subpoena or other order, to the extent that the Collateral Agent or such Purchaser is permitted to provide such prior notice to the Issuer; (e) to the extent requested by regulators having jurisdiction over the Collateral Agent or such Purchaser or as otherwise required in connection with the Collateral Agent's or such Purchaser's examination or audit by such regulators; (f) on a confidential basis to (i) any rating agency in connection with rating the Issuer or its Subsidiaries or the credit facilities provided hereunder or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers or other market identifiers with respect to the credit facilities provided hereunder; (g) to third-party service providers of the Collateral Agent or such Purchaser; and (h) to any of the Collateral Agent's or such Purchaser's Related

Parties; provided, however, that the third parties to which Information is disclosed pursuant to clauses (a), (b), (f), (g) and (h) are bound by obligations of confidentiality and non-use that are no less restrictive than those contained herein.

12.08 Set-off

If an Event of Default shall have occurred and be continuing, each Purchaser and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Purchaser or any such Affiliate to or for the credit or the account of the Issuer or any other Note Party against any and all of the obligations of the Issuer or such Note Party now or hereafter existing under this Agreement or any other Note Document to such Purchaser or its Affiliates, irrespective of whether or not such Purchaser or Affiliate shall have made any demand under this Agreement or any other Note Document and although such obligations of the Issuer or such Note Party may be contingent or unmatured or are owed to a branch office or Affiliate of such Purchaser different from the branch office or Affiliate holding such deposit or obligated on such indebtedness. The rights of each Purchaser and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Purchaser or their respective Affiliates may have. Each Purchaser agrees to notify the Issuer promptly after any such setoff and application, provided, that, the failure to give such notice shall not affect the validity of such setoff and application.

12.09 Interest Rate Limitation

Notwithstanding anything to the contrary contained in any Note Document, the interest paid or agreed to be paid under the Note Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "Maximum Rate"). If any Purchaser shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Notes or, if it exceeds such unpaid principal, refunded to the Issuer. In determining whether the interest contracted for, charged, or received by the Collateral Agent or a Purchaser exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

12.10 Counterparts; Integration; Effectiveness

This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Note Documents represent the entire agreement about this subject matter and supersede prior negotiations or agreements. All prior agreements, understandings, representations, warranties, and negotiations among the parties hereto about the subject matter of this Agreement and the other Note Documents merge into this Agreement and the Note Documents. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging means (e.g. "pdf" or "tif") shall be effective as delivery of a manually executed counterpart of this Agreement. The words "execution," "signed," "signature," and words of like import in this Agreement shall be deemed to include electronic signatures or electronic records, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for under any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

12.11 Survival of Representations and Warranties

All representations and warranties made hereunder and in any other Note Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof and shall continue in full force and effect as long as any Note

or other Obligation (other than contingent indemnification obligations for which no claim has been asserted) hereunder shall remain unpaid or unsatisfied. Such representations and warranties have been or will be relied upon by the Collateral Agent and each Purchaser, regardless of any investigation made by the Collateral Agent or any Purchaser or on their behalf and notwithstanding that the Collateral Agent or any Purchaser may have had notice or knowledge of any Default at the time of any purchase of the Notes, and shall continue in full force and effect as long as any Note or any other Obligation (other than contingent indemnification obligations for which no claim has been asserted) hereunder shall remain unpaid or unsatisfied.

12.12 Severability.

If any provision of this Agreement or the other Note Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Note Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

12.13 Replacement of Purchasers.

If the Issuer is entitled to replace a Purchaser pursuant to the provisions of Section 10.04, then the Issuer may, at its sole expense and effort, upon written notice to such Purchaser and the Collateral Agent, require such Purchaser to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 12.06), all of its interests, rights (other than its existing rights to payments pursuant to Section 3.01, 10.01 and 10.02) and obligations under this Agreement and the related Note Documents to an assignee that shall assume such obligations (which assignee may be another Purchaser, if a Purchaser accepts such assignment), provided, that:

(a) such Purchaser shall have received payment of an amount equal to one hundred percent (100%) of (x) the outstanding principal of its Notes, accrued interest thereon and all other amounts payable to it hereunder and under the other Note Documents (other than any applicable Make-Whole Amount and/or Prepayment Premium) from the assignee (to the extent of such outstanding principal and accrued interest) or the Issuer (in the case of all other amounts) and (y) any Make-Whole Amount and/or Prepayment Premium required by Section 2.07(d), as and to the extent applicable, in each case, from the Issuer, as if such assignment was a prepayment of one hundred percent (100%) of the outstanding principal amount of such assignor's Notes on the effective date of such assignment; and

(b) such assignment does not conflict with applicable Laws or regulations; and

(c) in the case of any such assignment resulting from a claim for compensation under Section 10.01 or 10.02 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter.

Notwithstanding anything to the contrary set forth herein, the failure by any Purchaser replaced pursuant to this Section 12.13 to execute and deliver an Assignment and Assumption shall not impair the validity of the removal of such Purchaser and the mandatory assignment of such Purchaser's Delayed Draw Commitments and outstanding Notes pursuant to this Section 12.13 shall nevertheless be effective without the execution by such Purchaser of an Assignment and Assumption.

A Purchaser shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Purchaser or otherwise, the circumstances entitling the Issuer to require such assignment and delegation cease to apply.

12.14 Governing Law; Jurisdiction; Etc.

(a) GOVERNING LAW. THIS AGREEMENT AND THE OTHER NOTE DOCUMENTS (EXCEPT, AS TO ANY OTHER NOTE DOCUMENT, AS EXPRESSLY SET FORTH THEREIN) AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER NOTE DOCUMENT (EXCEPT, AS TO ANY OTHER NOTE DOCUMENT, AS EXPRESSLY SET FORTH THEREIN) AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) SUBMISSION TO JURISDICTION. THE ISSUER AND EACH OTHER NOTE PARTY IRREVOCABLY AND UNCONDITIONALLY AGREE THAT THEY WILL NOT COMMENCE ANY ACTION, LITIGATION OR PROCEEDING OF ANY KIND OR DESCRIPTION, WHETHER IN LAW OR EQUITY, WHETHER IN CONTRACT OR IN TORT OR OTHERWISE, AGAINST THE COLLATERAL AGENT, ANY PURCHASER OR ANY RELATED PARTY OF THE FOREGOING IN ANY WAY RELATING TO THIS AGREEMENT OR ANY OTHER NOTE DOCUMENT OR THE TRANSACTIONS RELATING HERETO OR THERETO, IN ANY OTHER FORUM OTHER THAN THE COURTS OF THE STATE OF NEW YORK AND ANY UNITED STATES DISTRICT COURT IN THE STATE OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF LOCATED IN NEW YORK COUNTY, NEW YORK, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS TO THE JURISDICTION OF SUCH COURTS AND AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION, LITIGATION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER NOTE DOCUMENT SHALL AFFECT ANY RIGHT THAT THE COLLATERAL AGENT OR ANY PURCHASER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER NOTE DOCUMENT AGAINST THE ISSUER OR ANY OTHER NOTE PARTY OR THEIR RESPECTIVE PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) WAIVER OF VENUE. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVE, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT ANY OF THEM MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER NOTE DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 11.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW. THE NORWEGIAN GUARANTOR AND EACH OTHER NOTE PARTY NOT ORGANIZED IN THE UNITED STATES HEREBY IRREVOCABLY APPOINTS THE ISSUER AS ITS AUTHORIZED AGENT UPON WHICH PROCESS MAY BE SERVED IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER NOTE DOCUMENT, AND AGREES THAT SERVICE

OF PROCESS UPON SUCH AGENT, AND WRITTEN NOTICE OF SAID SERVICE TO THE ISSUER, BY THE PERSON SERVING THE SAME TO THE ADDRESS PROVIDED IN SCHEDULE 12.02, SHALL CONSTITUTE EFFECTIVE SERVICE OF PROCESS ON THE NORWEGIAN GUARANTOR OR SUCH OTHER APPLICABLE NOTE PARTY IN ANY SUCH ACTION OR PROCEEDING.

12.15 Waiver of Right to Trial by Jury.

EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER NOTE DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER NOTE DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

12.16 Judgment Currency.

(a) If, for the purpose of obtaining judgment in any court, it is necessary to convert a sum owing hereunder in one currency into another currency, each party hereto agrees, to the fullest extent that it may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures in the relevant jurisdiction the first currency could be purchased with such other currency on the Business Day immediately preceding the day on which final judgment is given.

(b) The obligations of any Note Party in respect of any sum due to any party hereto or any holder of the Obligations owing hereunder (the "Applicable Creditor") shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than the currency in which such sum is stated to be due hereunder (the "Agreement Currency"), be discharged only to the extent that, on the Business Day following receipt by the Applicable Creditor of any sum adjudged to be so due in the Judgment Currency, the Applicable Creditor may in accordance with normal banking procedures in the relevant jurisdiction purchase the Agreement Currency with the Judgment Currency; if the amount of the Agreement Currency so purchased is less than the sum originally due to the Applicable Creditor in the Agreement Currency, each Note Party agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Applicable Creditor against such loss. The obligations of the Note Parties contained in this Section 12.16 shall survive the termination of this Agreement and the payment of all other amounts owing hereunder.

12.17 Electronic Execution of Assignments and Certain Other Documents.

The words "execute," "execution," "signed," "signature" and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures, the electronic matching of terms and contract formations on electronic platforms approved by the Purchasers, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

12.18 Sanctions and Anti-Money Laundering Laws.

The Collateral Agent and each Purchaser hereby notifies each Note Party that pursuant to the requirements of Sanctions and Anti-Money Laundering Laws, and such Person's policies and practices, the Collateral Agent and each Purchaser is required to obtain, verify and record certain information and documentation that identifies each Note Party and its principals, which information includes the name and address of each Note Party and its principals and such other information that will allow the Collateral Agent and each Purchaser to identify such party in accordance with Sanctions and Anti-Money Laundering Laws.

12.19 No Advisory or Fiduciary Relationship.

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Note Document), the Issuer acknowledges and agrees, and acknowledge its Affiliates' understanding, that: (a)(i) the arranging and other services regarding this Agreement provided by the Collateral Agent and the Purchasers are arm's-length commercial transactions between the Issuer and its Affiliates, on the one hand, and the Collateral Agent and the Purchasers on the other hand, (ii) the Issuer has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (iii) the Issuer is capable of evaluating, and understand and accept, the terms, risks and conditions of the transactions contemplated hereby and by the other Note Documents; (b)(i) the Collateral Agent and each Purchaser is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not and will not be acting as an advisor, agent or fiduciary, for the Issuer or any of its Affiliates or any other Person and (ii) neither the Collateral Agent nor any Purchaser has any obligation to the Issuer or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Note Documents; and (c) the Collateral Agent and the Purchasers and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Issuer and its Affiliates, and neither the Collateral Agent nor any Purchaser has any obligation to disclose any of such interests to the Issuer or its Affiliates. To the fullest extent permitted by law, the Issuer hereby waives and releases, any claims that they may have against the Collateral Agent or any Purchaser with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

12.20 Acknowledgement and Consent to Bail-In of EEA Financial Institutions.

Notwithstanding anything to the contrary in any Note Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Purchaser that is an EEA Financial Institution arising under any Note Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Purchaser that is an EEA Financial Institution; and (b) the effects of any Bail-In Action on any such liability, including, if applicable: (i) a reduction in full or in part or cancellation of any such liability; (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Note Document; or (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.
