## Item 1.01 Entry into a Material Definitive Agreement

### Note Purchase Agreement

On December 29, 2017 (the "Closing Date"), OptiNose, Inc. (the "Company") and its subsidiaries, OptiNose US, Inc. (the "US Issuer") and OptiNose AS (the "Norwegian Issuer" and together with the US Issuer, the "Issuers"), entered into a Note Purchase Agreement (the "Note Purchase Agreement"), among the Issuers, the Company and certain of its subsidiaries, as guarantors, Athyrium Opportunities III Acquisition LP, as collateral agent (the "Collateral Agent"), and the purchasers party thereto from time to time (the "Purchasers"), providing for the issuance of up to \$100 million of senior secured notes (the "Notes"). The Note Purchase Agreement provides for \$75 million of the Notes to be issued on the Closing Date, of which \$50 million were issued by the Norwegian Issuer and \$25 million were issued by the US Issuer. The remaining \$25 million of Notes (the "Delayed Draw Notes") may be issued by the US Issuer and sold to the Purchasers between April 1, 2019 and August 14, 2019, subject to the Company and its consolidated subsidiaries achieving trailing four quarter net revenues (as calculated pursuant to the terms of the Note Purchase Agreement) of \$15 million and a pro forma ratio of total debt to trailing four quarter net revenues not exceeding 6.50 to 1.00.

The unpaid principal amount under the Notes is due and payable on June 29, 2023 (the "Maturity Date"). The proceeds of the Notes will be used to provide ongoing working capital for the Company to support the launch and commercialization of XHANCE (fluticasone propionate) nasal spray, 93 mcg, as well as for general corporate purposes.

The Notes bear interest at a per annum rate of three-month LIBOR rate (subject to a 1.0% floor) plus 9.0%. The Issuers are required to make quarterly interest-only payments until the Maturity Date. In addition, the Issuers paid an upfront fee of 1% of the aggregate principal amount of the Notes on the Closing Date. The Company is also required to pay an exit fee of 2% of any principal payments (whether mandatory, voluntary or at maturity) made throughout the term of the Note Purchase Agreement.

Subject to certain exceptions, the Issuers are required to make mandatory prepayments of the Notes, with the proceeds of assets sales extraordinary receipts and prohibited debt issuances and upon the occurrence of a change of control. In addition, the Issuers may make voluntary prepayments of the Notes, in whole or in part. All mandatory and voluntary prepayments of the Notes are subject to the payment of prepayment premiums as follows: (i) if prepayment occurs prior to the second anniversary of the applicable date of issuance, an amount equal to the amount by which (a) the present value of 102% of the principal prepaid plus all interest that would have accrued on such principal through such second anniversary exceeds (b) the amount of principal prepaid, (ii) if prepayment occurs on or after the second anniversary of the applicable date of issuance but prior to the third anniversary of such issuance, an amount equal to 2% of the principal prepaid, and (iii) if prepayment occurs on or after the third anniversary of the applicable date of issuance but prior to the fourth anniversary of such issuance, an amount equal to 1% of the principal prepaid. No prepayment premium is due on any principal prepaid after the fourth anniversary of the applicable date of issuance of any Notes.

The Company and certain of its existing and future domestic and foreign subsidiaries, including the US Issuer (the "Norwegian Guarantors"), are required to guarantee the obligations of the Norwegian Issuer under the Note Purchase Agreement, including the Notes. The obligations of the Norwegian Issuer under the Note Purchase Agreement and the guarantee of such obligations by the Norwegian Guarantors are secured by a pledge of substantially all of their assets. In addition, the Company and its existing and future domestic subsidiaries that are Norwegian Guarantors (other than the US Issuer) (the "US Guarantors"), are also required to guarantee the obligations of the US Issuer under the Note Purchase Agreement, including the Notes. The obligations of the US Issuer under the Note Purchase Agreement and the guarantee of such obligations by the US Guarantors are secured by a pledge of substantially all of their assets.

The Note Purchase Agreement contains affirmative and negative covenants customary for financings of this type, including limitations on the Company's and its subsidiaries' ability, among other things, to incur additional debt, grant or permit additional liens, make investments and acquisitions, merge or consolidate with others, dispose of assets, pay dividends and distributions, repay junior indebtedness and enter into affiliate transactions, in each case, subject to certain exceptions. In addition, the Note Purchase Agreement contains financial covenants requiring the Company to maintain at all times (i) at least \$10 million of cash and cash equivalents and (ii) following the issuance of the Delayed Draw Notes or upon entering into certain exclusive licenses of XHANCE (fluticasone propionate) n

asal spray, 93 mcg, a total debt to trailing four quarter net revenue ratio of not more than 6.50 to 1.00 initially, and thereafter declining quarterly by equal half-steps to a ratio of not more than 3.00 to 1.00.

The Note Purchase Agreement also contains representations and warranties of the Company, the Issuers and the guarantors, customary for financings of this type. In addition, such representations and warranties (i) are intended not as statements of fact, but rather as a way of allocating the risk between the parties to the Note Purchase Agreement, (ii) have been qualified by reference to confidential disclosures made by the parties in connection with the Note Purchase Agreement and (iii) may apply standards of materiality in a way that is different from what may be viewed as material by shareholders of, or other investors in, the Company. Accordingly, the Note Purchase Agreement is included with this filing only to provide investors with information regarding the terms of transaction, and not to provide investors with any other factual information regarding the Company. Stockholders should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the Company or any of its subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Note Purchase Agreement, which subsequent information may or may not be fully reflected in public disclosures.

The Note Purchase Agreement also includes events of default customary for financings of this type, in certain cases subject to customary periods to cure, following which the Purchasers may accelerate all amounts outstanding under the Notes.

The foregoing description of the Note Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Note Purchase Agreement, which is filed herewith as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

(b) Changes in GAAP. If at any time any change in GAAP would affect the computation of any financial requirement set forth in any Note Document, and either Parent or the Required Purchasers shall so request, the Collateral Agent, the Purchasers and Issuers shall negotiate in good faith to amend such requirement to preserve the original intent thereof in light of such change in

GAAP (subject to the approval of the Required Purchasers); provided, that, until so amended, (i) such requirement shall continue to be computed in accordance with GAAP prior to such change therein and (ii) Parent shall provide to the Purchasers financial statements and other documents required under this Agreement or as requested hereunder setting forth a reconciliation between calculations of such requirement made before and after giving effect to such change in GAAP. The US Issuer has duly authorized the issuance, sale and delivery of its Senior Secured Notes due 2023 in the aggregate principal amount of \$25,000,000, to be dated the Closing Date, to mature on the Maturity Date, and to be substantially in the form of Exhibit A-1 hereto. All such notes originally issued pursuant to this paragraph (a), or delivered in substitution or exchange for any thereof, being collectively called the "Initial Notes" and individually an "Initial Note". Notwithstanding anything to the contrary set forth herein, the Initial Notes will, upon the occurrence of the Closing Date, be immediately separable and transferable in accordance with the terms hereof.

(b) Delayed Draw Notes. The US Issuer has duly authorized the issuance, sale and delivery, on a one-time basis, of additional Senior Secured Notes due 2023 in the aggregate principal amount of \$25,000,000, to be dated the Delayed Draw Note Closing Date, to mature on the Maturity Date, and to be substantially in the form of Exhibit A-2 hereto (all such notes originally issued pursuant to this paragraph (b), or delivered in substitution or exchange for any thereof, being collectively called the “Delayed Draw Notes” and individually an “Delayed Draw Note”). (a) Subject to and upon the terms and conditions set forth herein, each Purchaser severally (and not jointly) agrees on the Delayed Draw Note Closing Date to purchase Delayed Draw Notes (such Delayed Draw Notes to have a purchase price in the aggregate not greater than such Purchaser’s undrawn Delayed Draw Note Commitment at such time) from the US Issuer at a purchase price equal to 100% of the aggregate principal amount of the Delayed Draw Notes so purchased, *provided* that under no circumstances shall the aggregate purchase price of the Delayed Draw Notes required to be purchased by any Purchaser, together with the aggregate purchase price of any Delayed Draw Notes previously purchased by such Purchaser, exceed the amount of such Purchaser’s Delayed Draw Note Commitment at such time. Once drawn, no Delayed Draw Note Commitment may be redrawn, whether or not the Delayed Draw Notes related thereto have been repaid or prepaid. Upon the expiration of the Availability Period, the Delayed Draw Note Commitments shall automatically, without action by any Issuer or any Purchaser, be reduced to zero.

(b) The aggregate principal amount of Delayed Draw Notes, if any, purchased by the Purchasers hereunder shall be equal to \$25,000,000.

(c) All issuances of Delayed Draw Notes under this Agreement shall be made to the Purchasers *pro rata* on the basis of their Delayed Draw Note Commitments. It is understood that no Purchaser shall be responsible for any default by any other Purchaser of its obligation to purchase Delayed Draw Notes hereunder and that each Purchaser shall be obligated to purchase the Delayed Draw Notes required to be purchased by it hereunder regardless of the failure of any other Purchaser to fulfill its obligations under this Agreement.

#### 2.27 Issuance and Sale of Securities.

(a) On the Closing Date. Subject to the terms and conditions set forth in this Agreement, on the Closing Date each of the Norwegian Issuer and the US Issuer will issue and sell the Initial Notes to be issued and sold by each of them hereunder to each of the Purchasers, severally and not jointly, and each of the Purchasers, severally and not jointly, shall purchase from the Norwegian Issuer and the US Issuer the Initial Notes to be purchased by each of them, in each case in amounts equal, with respect to each Issuer and each Purchaser, to the respective amounts set forth on Schedule II hereto opposite such Issuer’s and such Purchaser’s name, and in each case at the purchase prices set forth on Schedule II hereto.

(b) On the Delayed Draw Note Closing Date. Subject to the terms and conditions set forth in this Agreement, on a single Delayed Draw Note Closing Date, the US Issuer shall issue and sell Delayed Draw Notes in the aggregate amount specified in the Notice of Issuance (in compliance with Section 2.06) to each of the Purchasers, severally and not jointly, allocated on a pro rata basis

(c) The Issuers and Purchasers hereby acknowledge and agree that (i) the issue price (within the meaning of Section 1273(b) of the Internal Revenue Code) of each Note is determined pursuant to Section 1272-1275 of the Code and the Treasury Regulations thereunder and (ii) for United States federal income tax purposes, the issue price of each Initial Note issued by the Norwegian Issuer within the meaning of Section 1273(b) of the Internal Revenue Code, which issue price was determined pursuant to Section 1.1273-2(h)(1) of the Treasury Regulations, is equal to \$49,333,333.33 and the issue price of each Initial Note issued by the US Issuer within the meaning of Section 1273(b) of the Internal Revenue Code, which issue price was determined pursuant to Section 1.1273-2(h)(1) of the Treasury Regulations, is equal to \$24,666,666.67. The parties hereto agree to report all income tax matters with respect to the issuance of the Notes consistent with the provisions of this Section 2.03(c) unless otherwise required due to a change in applicable Law.

2.28 Notes. The Notes issued pursuant hereto shall evidence the principal amounts of all Notes sold hereunder, and the date and principal amount of each purchase and the sale of the Notes to the Purchasers by each of the Issuers, as well as each payment or prepayment made on account of the principal thereof, and, in each case, the resulting aggregate unpaid principal balance thereof, shall be recorded by each Purchaser on its books; *provided*, that failure by any Purchaser to make any such recordation shall not affect the obligations of the Issuers hereunder or under any Note. Each such recordation by a Purchaser shall be conclusive and binding for all purposes in the absence of manifest error.

2.29 The Closing Date; Delayed Draw Note Closing Date.

(a) Closing Date. The sale and delivery of the Initial Notes to be issued pursuant to Section 2.01(a) shall take place at the offices of Covington & Burling LLP, 620 Eighth Avenue, New York, NY 10018, at 10:00 A.M. (b) Delayed Draw Note Closing Date. The sale and delivery of any Delayed Draw Notes to be issued pursuant to Section 2.01(b) shall take place at the offices of Covington & Burling LLP, 620 Eighth Avenue, New York, NY 10018, at 10:00 A.M., New York City time on the Delayed Draw Note Closing Date specified for such issuance in the Notice of Issuance (or such other time

On the Delayed Draw Note Closing Date, subject to satisfaction of the conditions set forth herein, the US Issuer will deliver to each Purchaser holding an undrawn Delayed Draw Note Commitment an Delayed Draw Note or Delayed Draw Notes registered in such Purchaser's name or in the name of its nominee, such Delayed Draw Notes to be duly executed and dated the Delayed Draw Note Closing Date, in an aggregate principal amount equal to the amount of Delayed Draw Notes allocated to such Purchaser on a pro rata basis in accordance with its respective Delayed Draw Note Commitment (which in no event shall exceed the amount of such Purchaser's Delayed Draw Note Commitment at such time), such Delayed Draw Notes to be in such denominations as such Purchaser may specify by two Business Days' prior written notice to the US Issuer (or, in the absence of such notice, one Delayed Draw Note registered in such Purchaser's name in such aggregate principal amount), against such Purchaser's delivery to the US Issuer of immediately available funds in an amount equal to the aggregate principal amount of Delayed Draw Notes so purchased by such Purchaser.

2.30 Notice of Issuance. If the US Issuer determines, in its sole discretion, to request the issuance of Delayed Draw Notes, the US Issuer shall deliver to the Purchasers an irrevocable Notice of Issuance with respect to such proposed issuance, which shall be for the entire amount of the Delayed Draw Notes and must be given (a) not earlier than the beginning of the Availability Period and (b) not later than 11:00 a.m. at least 10 Business Days in advance of the requested Delayed Draw Note Closing Date and in any event not later than July 31, 2019.

### 2.31 Prepayments.

(a) Voluntary Prepayments. Subject to the payment of any prepayment premium as required under Section 2.07(d), the exit fee required under Section 2.10(b) and any other fees or amounts payable hereunder at such time, the US Issuer may, upon notice to the Purchasers, voluntarily prepay the Initial Notes issued by it and/or the Delayed Draw Notes, in each case, in whole or in part, and the Norwegian Issuer may, upon notice to the Purchasers, voluntarily prepay the Initial Notes issued by it, in whole or in part; provided, that, (i) such notice must be received not later than 11:00 a.m. (Eastern time) three (3) Business Days prior to the date of prepayment and (ii) any such prepayment shall be in a principal amount of \$5,000,000 or a whole multiple of \$1,000,000 in excess thereof (or, if less, the entire principal amount thereof then outstanding). Each such notice shall specify the date and amount of such prepayment. The relevant Issuer shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein; provided that if such a notice expressly states that it is conditioned upon the effectiveness of other credit facilities or the closing of a specified transaction, such notice may be revoked by the relevant Issuer (by written notice to the Purchasers on or prior to the specified effective date) if such condition is not satisfied. Any prepayment pursuant to this Section 2.07(a) shall be accompanied by (x) all accrued interest on the principal amount of the Notes prepaid, (y) the prepayment premium required under Section 2.07(d) and the exit fee required under Section 2.10(b) in respect of the Notes so prepaid and (z) all fees, costs, expenses, indemnities and other amounts due and payable hereunder at the time of prepayment. Each such prepayment shall be applied first to all costs, expenses, indemnities and other amounts due and payable hereunder, then to payment of default interest, if any, then to payment of prepayment premium required by Section 2.07(d) and the exit fee as required under Section 2.10(b), then to payment of accrued interest and thereafter to the payment of principal.

(b) Mandatory Prepayments of Notes.

(i) Dispositions and Involuntary Dispositions. The Issuers shall promptly (and, in any event, within three (3) Business Days) upon the receipt by any Note Party or any Subsidiary of the Net Cash Proceeds of any Dispositions or Involuntary Dispositions (other than proceeds of business interruption insurance), prepay the Notes in an aggregate amount equal to 100% of such Net Cash Proceeds, in each case, other than (A) so long as no Default or Event of Default exists at the time prepayment would otherwise be required pursuant to this Section 2.07(b)(i), such Net Cash Proceeds of Dispositions and Involuntary Dispositions not exceeding \$1,000,000 in the aggregate during any fiscal year, and (B) such Net Cash Proceeds are reinvested in Eligible Assets within 180 days of the date of the receipt of such Net Cash Proceeds (or committed to be reinvested pursuant to a legally binding commitment within such 180-day period and are so reinvested within 90 days thereafter). Any prepayment pursuant to this clause (i) shall be applied as set forth in clause (iv) below.

(ii) Extraordinary Receipts. The Issuers shall promptly (and, in any event, within three (3) Business Days) upon the receipt by any Note Party or any Subsidiary of the Net Cash Proceeds of any Extraordinary Receipt, prepay the Notes in an aggregate amount equal to 100% of such Net Cash Proceeds, in each case other than (A) so long as no Default or Event of Default exists at the time prepayment would otherwise be required pursuant to this Section 2.07(b)(ii), such Net Cash Proceeds of Extraordinary Receipts not exceeding \$1,000,000 in the aggregate during any fiscal year, and (B) such Net Cash Proceeds of any Extraordinary Receipt that are reinvested in Eligible Assets or in the case of any indemnification payment, used to pay any expense or liability incurred in connection therewith, in each case, within 180 days of the date of the receipt of such Net Cash Proceeds (or committed to be reinvested pursuant to a legally binding commitment within such 180-day period and are so reinvested within 90 days thereafter). Any prepayment pursuant to this clause (ii) shall be applied as set forth in clause (iv) below.

(iii) Debt Issuance. The Issuers shall promptly (and, in any event, within three (3) Business Days) upon the receipt by any Note Party or any Subsidiary of the Net Cash Proceeds of any Debt Issuance, prepay the Notes in an aggregate amount equal to 100% of such Net Cash Proceeds. Any prepayment pursuant to this clause (iii) shall be applied as set forth in clause (iv) below.

(iv) Application of Mandatory Prepayments. All payments under this Section 2.07(b) shall be applied first to all fees (other than, for the avoidance of doubt, prepayment premium required by Section 2.07(d) and the exit fees required by Section 2.10(b)), costs, expenses, indemnities and other amounts due and payable hereunder, then proportionately (based on the relation of such amounts to the total amount of the relevant payment under this Section 2.07(b)) to the payment or prepayment (as applicable) of the following amounts: default interest, if any, prepayment premium required by Section 2.07(d) and the exit fee required by Section 2.10(b), accrued and unpaid interest and principal; provided, however, in connection with any mandatory repayment from Net Cash Proceeds of any property or Extraordinary Receipts of a Foreign Subsidiary that is not a US Notes Guarantor, the Norwegian Issuer may, notwithstanding Section 2.12(a), first apply such proceeds to repay the Initial Notes issued by it if an adverse tax consequence would otherwise result.

(c) Change of Control. Upon the occurrence of a Change of Control, the Issuers shall, unless otherwise directed by the Required Purchasers, prepay all of the Notes together with all accrued and unpaid interest thereon plus the prepayment premium required by Section 2.07(d) and the exit fee required by Section 2.10(b) plus all other Obligations then due and owing. In connection with any prepayment pursuant to this Section 2.07(c), the Issuers shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations to the extent such laws and regulations are applicable in connection with such prepayment.

(d) Prepayment Premiums. If all or any portion of the Notes is prepaid, or required to be prepaid, pursuant to this Section 2.07, Article IX or otherwise, then, in all cases, the Issuers shall pay to the Purchasers, on the date on which such prepayment is prepaid or required to be prepaid, in addition to the other Obligations so prepaid or required to be prepaid, a prepayment premium equal to: (i) with respect to any prepayment paid or required to be paid before the second anniversary of the Closing Date (with respect to any Initial Notes prepaid or required to be prepaid) or the second anniversary of the Delayed Draw Note Closing Date (with respect to any Delayed Draw Notes prepaid or required to be prepaid), the Make-Whole Amount with respect to such prepayment, (ii) with respect to any prepayment paid or required to be paid on or after the second anniversary, but before the third anniversary, in each case of the Closing Date (with respect to any Initial Notes prepaid or required to be prepaid) or the Delayed Draw Note Closing Date (with respect to any Delayed Draw Notes prepaid or required to be prepaid), 2.00% of the principal amount of the Notes prepaid or required to be prepaid, (iii) with respect to any prepayment paid or required to be paid on or after the third anniversary, but before the fourth anniversary, in each case of the Closing Date (with respect to any Initial Notes prepaid or required to be prepaid) or the Delayed Draw Note Closing Date (with respect to any Delayed Draw Notes prepaid or required to be prepaid), 1.00% of the principal amount of the Notes prepaid or required to be prepaid, and (iv) with respect to any prepayment paid or required to be prepaid thereafter, as applicable, 0.00% of the principal amount of the Notes prepaid or required to be prepaid.

### 2.32 Repayment of Notes; Voluntary Termination of Delayed Draw Note Commitments.

The Issuers shall repay the outstanding principal amount of the Notes, together with all accrued and unpaid interest thereon and all other outstanding Obligations, on the Maturity Date. The Issuers may, upon written notice to the Purchasers, at any time prior to the end of the Availability Period, terminate in full the Delayed Draw Commitments; provided, that: any such notice shall be received by the Purchasers not later than 11:00 a.m. one (1) Business Day prior to the date of termination; provided, further, that the effectiveness of such notice may be expressly conditioned upon the effectiveness of other credit facilities or the closing of a specified transaction, and such notice may be revoked by the Issuers (by written notice to the Purchasers on or prior to the specified effective date) if such condition is not satisfied.

### 2.33 Interest.

(a) Pre-Default Rate. Subject to the provisions of subsection (b) below, during any Interest Period the Notes shall bear interest during such Interest Period on the outstanding principal amount thereof at a rate per annum equal to LIBOR plus nine percent (9.00%) per annum. The interest rate shall be recalculated and, if necessary, adjusted for each Interest Period, in each case pursuant to the terms hereof.

(b) Default Rate.

(ii) Upon the occurrence of and during the continuance of any Event of Default under Section 9.01(a) (without regard to any applicable grace periods) or Section 9.01(f), during any Interest Period all outstanding Obligations shall thereafter bear interest during such Interest Period at an interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws,

(iii) upon the request of the Required Purchasers, while any Event of Default exists, the Issuers shall following such request pay interest on all outstanding Notes at an interest rate per annum equal to the Default Rate to the fullest extent permitted by applicable Laws, and

(iv) accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable in cash on demand. The interest rate shall be recalculated and, if necessary, adjusted for each Interest Period, in each case pursuant to the terms hereof.

(c) Interest Generally. Interest on the Notes shall be due and payable in cash in arrears on each Interest Payment Date and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

#### 2.34 Upfront Fee and Exit Fee.

(a) Upfront Fee. Each Issuer and each Purchaser agrees that on the Closing Date, the Issuers shall pay an upfront fee in an aggregate amount equal to \$1,000,000 (the "Upfront Fee") to Athyrium Capital Management LP, for its own account. Each Issuer agrees that the Upfront Fee shall be (i) paid in Dollars, (ii) fully earned upon the Closing Date, (iii) nonrefundable and (iv) in addition to, and not creditable against, any other fee, cost or expense payable under the Note Documents. For the avoidance of doubt, the Upfront Fee shall be paid on a *pro rata* basis by the US Issuer and the Norwegian Issuer in accordance with the aggregate principal amount of the Notes issued by each Issuer on the Closing Date.

(b) Exit Fee. Upon the prepayment or repayment of all or any portion of the Notes (or upon the date any such prepayment or repayment is required to be paid), whether pursuant to Section 2.07, Section 2.08 or Section 9.02, or otherwise, the Issuers shall pay to the Purchasers on the date on which such prepayment or repayment is paid or required to be paid, as the case may be, in addition to the other Obligations so prepaid, repaid or required to be prepaid or repaid, an exit fee in an amount equal to two percent (2%) of the principal amount of the Notes prepaid, repaid or required to be prepaid or repaid, as the case may be, on such date.

#### 2.35 Computation of Interest.

All computations of interest shall be made on the basis of a 360-day year and actual days elapsed. Interest shall accrue on the Notes for the day on which the Notes are issued, and shall not accrue on the Notes, or any portion thereof, for the day on which the Notes or such portion is paid.

#### 2.36 Payments Generally.

(a) General. All payments to be made by the Issuers shall be made free and clear of and without condition or deduction for any counterclaim, defense, recoupment or setoff. Subject to

Section 9.03, all payments of principal, interest, prepayment premiums and fees on the Notes and all other Obligations payable by any Note Party under the Note Documents shall be due, without any presentment thereof, directly to the Purchasers, at such office or bank account as may be specified by each Purchaser from time to time by written notice to the Issuers, with the Norwegian Notes Obligations and the US Notes Obligations paid on a *pro rata* basis (subject to the proviso at the end of Section 2.07(b)(iv)); provided, that, if at the time of any such payment a Purchaser is a Defaulting Purchaser, such Defaulting Purchaser's *pro rata* share of such payment shall be made directly to the Collateral Agent. The Note Parties will make such payments in Dollars, in immediately available funds not later than 2:00 p.m. on the date due, marked for attention as indicated, or in such other manner or to such other account in any United States bank as the Purchasers may from time to time direct in writing. All payments received by the Purchasers after 2:00 p.m. shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by an Issuer shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest.

(b) Obligations of Purchasers are Several. The obligations of the Purchasers hereunder to purchase the Notes are several and not joint. The failure of any Purchaser to purchase the aggregate principal amount of the Initial Notes or Delayed Draw Notes to be purchased by it on any date required hereunder shall not relieve any other Purchaser of its corresponding obligation to do so on such date, and no Purchaser shall be responsible for the failure of any other Purchaser to purchase the aggregate principal amount of the Initial Notes or Delayed Draw Notes to be purchased by it.

(c) Funding Source. Nothing herein shall be deemed to obligate any Purchaser to obtain the funds to purchase any Note in any particular place or manner or to constitute a representation by any Purchaser that it has obtained or will obtain the funds to purchase any Note in any particular place or manner.

2.37 No Purchase of Notes. No Note Party or any of their respective Affiliates may acquire directly or indirectly any of the outstanding Notes, without the prior written consent of the Required Purchasers.

2.38 Sharing of Payments by Purchasers.

If any Purchaser shall, by exercising any right of setoff or otherwise, obtain payment in respect of any principal of or interest on its portion of any Note or prepayment premium or exit fee in connection therewith resulting in such Purchaser's receiving payment of a proportion of the aggregate amount of the Note and accrued interest thereon and prepayment premium or exit fees in connection therewith greater than its *pro rata share* thereof as provided herein, then such Purchaser shall (a) notify the other Purchasers of such fact and (b) purchase for cash at face value, but without recourse, ratably from each of the other Purchasers such amount of the Notes held by each such other Purchaser (or interest therein), so that the benefit of all such payments shall be shared by the Purchasers ratably in accordance with the aggregate amount of principal of, accrued interest on and prepayment premium or exit fees in connection with their respective portions of the Notes and other amounts owing them; provided, that:

(i) if any such purchase is made by any Purchaser, and if such excess payment or part thereof is thereafter recovered from such purchasing Purchaser, the related purchases from the other Purchasers shall be rescinded ratably and the purchase price restored as to the portion of such excess payment so recovered, but without interest; and

(ii) the provisions of this Section 2.14 shall not be construed to apply to (x) any payment made by or on behalf of the Issuers pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Purchaser) or (y) any payment obtained by a Purchaser as consideration for the assignment of any of its portion of the Notes to any assignee, other than an assignment to Parent or any Subsidiary (as to which the provisions of this Section shall apply).

### 2.39 Defaulting Purchasers.

(a) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Purchaser becomes a Defaulting Purchaser, then, until such time as that Purchaser is no longer a Defaulting Purchaser, to the extent permitted by applicable Law:

(i) Waivers and Amendment. The Defaulting Purchaser's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 12.01.

(ii) Reallocation of Payments. Any payment of principal, interest, fees or other amount received for the account of that Defaulting Purchaser (whether voluntary or mandatory, at maturity, pursuant to Article IX or otherwise, and including any amounts made available to the Collateral Agent by that Defaulting Purchaser pursuant to Section 12.08), shall be applied at such time or times as may be determined by the Collateral Agent as follows: first, to the payment of any amounts owing by that Defaulting Purchaser to the Collateral Agent hereunder; second, as the Issuers may request (so long as no Default or Event of Default exists), to the purchase of any Notes in respect of which that Defaulting Purchaser has failed to fund its portion thereof as required by this Agreement, as determined by the Collateral Agent; third, if so determined by the Collateral Agent, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Purchaser to purchase the Notes under this Agreement; fourth, to the payment of any amounts owing to the Purchasers as a result of any judgment of a court of competent jurisdiction obtained by any Purchaser against that Defaulting Purchaser as a result of that Defaulting Purchaser's breach of its obligations under this Agreement; fifth, so long as no Default or Event of Default exists, to the payment of any amounts owing to any Issuer as a result of any judgment of a court of competent jurisdiction obtained by such Issuer against that Defaulting Purchaser as a result of that Defaulting Purchaser's breach of its obligations under this Agreement; and sixth, to that Defaulting Purchaser or as otherwise directed by a court of competent jurisdiction; provided, that, if (x) such payment is a payment of the principal amount of any Notes in respect of which that Defaulting Purchaser has not fully funded its appropriate share and (y) such Notes were purchased at a time when the conditions set forth in Section 5.02 were satisfied or waived, such payment shall be applied solely to pay the Notes of all non-Defaulting Purchasers on a *pro rata* basis prior to being applied to the payment of any Notes of that Defaulting Purchaser. ### GUARANTY

#### 4.25 The Guaranty.

Each of the Norwegian Notes Guarantors hereby jointly and severally guarantees to each Purchaser and the Collateral Agent as hereinafter provided, as primary obligor and not as surety, the prompt payment of the Obligations of the Norwegian Issuer and any other Norwegian Notes Guarantor in respect of the Notes issued by the Norwegian Issuer (collectively, the “Norwegian Notes Obligations”) in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration or otherwise) strictly in accordance with the terms thereof. The Norwegian Notes Guarantors hereby further agree that if any of the Norwegian Notes Obligations are not paid in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration or otherwise), the Norwegian Notes Guarantors will, jointly and severally, promptly pay the same, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Norwegian Notes Obligations, the same will be promptly paid in full when due (whether at extended maturity, as a mandatory prepayment, by acceleration or otherwise) in accordance with the terms of such extension or renewal.

Each of the US Notes Guarantors hereby jointly and severally guarantees to each Purchaser and the Collateral Agent as hereinafter provided, as primary obligor and not as surety, the prompt payment of the Obligations of the US Issuer and any other US Notes Guarantors in respect of the Notes issued by the US Issuer (collectively, the “US Notes Obligations”) in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration or otherwise) strictly in accordance with the terms thereof. The US Notes Guarantors hereby further agree that if any of the US Notes Obligations are not paid in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration or otherwise), the US Notes Guarantors will, jointly and severally, promptly pay the same, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the US Notes Obligations, the same will be promptly paid in full when due (whether at extended maturity, as a mandatory prepayment, by acceleration or otherwise) in accordance with the terms of such extension or renewal.

Notwithstanding any provision to the contrary contained herein or in any other of the Note Documents, the obligations of each Guarantor under this Agreement and the other Note Documents shall be limited to an aggregate amount equal to the largest amount that would not render such obligations subject to avoidance under the Debtor Relief Laws or any comparable provisions of any applicable state or federal law.

#### 4.26 Obligations Unconditional.

The obligations of the Guarantors under Section 4.01 are joint and several, absolute and unconditional, irrespective of the value, genuineness, validity, regularity or enforceability of any of the Note Documents, or any other agreement or instrument referred to therein, or any substitution, release, impairment or exchange of any other guarantee of or security for any of the Obligations, and, to the fullest extent permitted by applicable law, irrespective of any law or regulation or other circumstance whatsoever which might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor, it being the intent of this Section 4.02 that the obligations of the Guarantors hereunder shall be absolute and unconditional under any and all circumstances. Each Norwegian Notes Guarantor agrees that such Guarantor shall have no right of subrogation, indemnity, reimbursement or contribution against the Norwegian Issuer or any other Norwegian Notes Guarantor for amounts paid under this Article IV until such time as the Norwegian Notes Obligations (other than contingent indemnification obligations for which no claim has been asserted) have been paid in full. Without limiting the generality of the foregoing, it is agreed that, to the fullest extent permitted by law, the occurrence of any one or more of the following shall not alter or impair the liability of any Guarantor hereunder, which shall remain absolute and unconditional as described above:

(a) at any time or from time to time, without notice to any Guarantor, the time for any performance of or compliance with any of the Obligations shall be extended, or such performance or compliance shall be waived;

(c) the maturity of any of the Obligations shall be accelerated, or any of the Obligations shall be modified, supplemented or amended in any respect, or any right under any of the Note Documents, or any other agreement or instrument referred to in the Note Documents shall be waived or any other guarantee of any of the Obligations or any security therefor shall be released, impaired or exchanged in whole or in part or otherwise dealt with;

(d) any Lien granted to, or in favor of, the Collateral Agent or any Purchaser as security for any of the Obligations shall fail to attach or be perfected; or

(e) any of the Obligations shall be determined to be void or voidable (including, without limitation, for the benefit of any creditor of any Guarantor) or shall be subordinated to the claims of any Person (including, without limitation, any creditor of any Guarantor).

With respect to its obligations hereunder, each Guarantor hereby expressly waives diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that the Collateral Agent or any Purchaser exhaust any right, power or remedy or proceed against any Person under any of the Note Documents, or any other agreement or instrument referred to in the Note Documents, or against any other Person under any other guarantee of, or security for, any of the Obligations.

#### 4.27 Reinstatement.

The obligations of the Norwegian Notes Guarantors under this Article IV shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of any Person in respect of the Norwegian Notes Obligations is rescinded or must be otherwise restored by any holder of any of the Norwegian Notes Obligations, whether as a result of any proceedings in bankruptcy or reorganization or otherwise, and each Norwegian Notes Guarantor agrees that it will, without duplication of the indemnification obligations of the US Notes Guarantors, indemnify the Collateral Agent and each Purchaser on demand for all reasonable and documented out-of-pocket costs and expenses (but limited, in the case of legal counsel, to the reasonable and documented out-of-pocket fees, charges and disbursements of one primary counsel for the Collateral Agent and the Purchasers (taken as a whole), and, of a single local counsel to the Collateral Agent and the Purchasers (taken as a whole) in each relevant jurisdiction (and, in the case of an actual or perceived conflict of interest where the party affected by such conflict informs the Issuers of such conflict and thereafter retains its own counsel, of one additional firm of counsel for all such affected parties (taken as a whole))) incurred by the Collateral Agent or such Purchaser in connection with such rescission or restoration, including any such costs and expenses incurred in defending against any claim alleging that such

payment constituted a preference, fraudulent transfer or similar payment under any bankruptcy, insolvency or similar law.

The obligations of the US Notes Guarantors under this Article IV shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of any Person in respect of the US Notes Obligations is rescinded or must be otherwise restored by any holder of any of the US Notes Obligations, whether as a result of any proceedings in bankruptcy or reorganization or otherwise, and each US Notes Guarantor agrees that it will, without duplication of the indemnification obligations of the Norwegian Notes Guarantors, indemnify the Collateral Agent and each Purchaser on demand for all reasonable and documented out-of-pocket costs and expenses (but limited, in the case of legal counsel, to the reasonable and documented out-of-pocket fees, charges and disbursements of one primary counsel for the Collateral Agent and the Purchasers (taken as a whole), and, of a single local counsel to the Collateral Agent and the Purchasers (taken as a whole) in each relevant jurisdiction (and, in the case of an actual or perceived conflict of interest where the party affected by such conflict informs the Issuers of such conflict and thereafter retains its own counsel, of one additional firm of counsel for all such affected parties (taken as a whole))) incurred by the Collateral Agent or such Purchaser in connection with such rescission or restoration, including any such costs and expenses incurred in defending against any claim alleging that such payment constituted a preference, fraudulent transfer or similar payment under any bankruptcy, insolvency or similar law.

#### 4.28 Certain Additional Waivers.

Each Guarantor agrees that such Guarantor shall have no right of recourse to security for the Obligations, except through the exercise of rights of subrogation pursuant to Section 4.02 and through the exercise of rights of contribution pursuant to Section 4.06.

#### 4.29 Remedies.

The Norwegian Notes Guarantors agree that, to the fullest extent permitted by law, as between the Norwegian Notes Guarantors, on the one hand, and the Collateral Agent and the Purchasers, on the other hand, the Norwegian Notes Obligations may be declared to be forthwith due and payable as provided in Section 9.02 (and shall be deemed to have become automatically due and payable in the circumstances provided in said Section 9.02) for purposes of Section 4.01 notwithstanding any stay, injunction or other prohibition preventing such declaration (or preventing the Norwegian Notes Obligations from becoming automatically due and payable) as against any other Person and that, in the event of such declaration (or the Norwegian Notes Obligations being deemed to have become automatically due and payable), the Norwegian Notes Obligations (whether or not due and payable by any other Person) shall forthwith become due and payable by the Norwegian Notes Guarantors for purposes of Section 4.01. The US Notes Guarantors agree that, to the fullest extent permitted by law, as between the US Notes Guarantors, on the one hand, and the Collateral Agent and the Purchasers, on the other hand, the US Notes Obligations may be declared to be forthwith due and payable as provided in Section 9.02 (and shall be deemed to have become automatically due and payable in the circumstances provided in said Section 9.02) for purposes of Section 4.01 notwithstanding any stay, injunction or other prohibition preventing such declaration (or preventing the US Notes Obligations from becoming automatically due and payable) as against any other Person and that, in the event of such declaration (or the US Notes Obligations being deemed to have become automatically due and payable), the US Notes Obligations (whether or not due and payable by any other Person) shall forthwith become due and payable by the US Notes Guarantors for purposes of Section 4.01. The Guarantors acknowledge and agree that their obligations hereunder are secured in accordance with the terms of the Collateral Documents and that the Purchasers may exercise their remedies thereunder in accordance with the terms thereof.

#### 4.30 Rights of Contribution.

The Guarantors agree among themselves that, in connection with payments made hereunder, each Guarantor shall have contribution rights against the other Guarantors as permitted under applicable law. Such contribution rights shall be subordinate and subject in right of payment to the obligations of such Guarantors under the Note Documents and (a) no Norwegian Notes Guarantor shall exercise such rights of contribution until all Norwegian Notes Obligations (other than contingent indemnification obligations for which no claim has been asserted) have been paid in full and (b) no US Notes Guarantor shall exercise such rights of contribution until all US Notes Obligations (other than contingent indemnification obligations for which no claim has been asserted) have been paid in full and the Delayed Draw Note Commitments have been terminated.

## 9.26 Remedies Upon Event of Default.

If any Event of Default occurs and is continuing, the Required Purchasers may take any or all of the following actions:

(a) declare the Delayed Draw Note Commitments of each Purchaser to be terminated, whereupon such commitments and obligation shall be terminated;

(b) declare the unpaid principal amount of all outstanding Notes, all interest accrued and unpaid thereon, prepayment premium thereto (if any) and all other amounts owing or payable hereunder or under any other Note Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Note Parties; and

(c) exercise, or instruct the Collateral Agent to exercise (and the Collateral Agent shall exercise upon such instruction), all rights and remedies available to the Collateral Agent or the Purchasers under the Note Documents;

provided, however, that upon the occurrence of an Event of Default under Section 9.01(f), the obligation of each Purchaser to purchase Notes shall automatically terminate, the unpaid principal amount of all outstanding Notes and all interest, prepayment premium and other amounts as aforesaid shall automatically become due and payable, in each case without further act of the Collateral Agent or any Purchaser.

If the Obligations are accelerated for any reason, the prepayment premium required by Section 2.07(e) and the exit fee required by Section 2.10(b) will also be due and payable as though such Obligations were voluntarily prepaid and, in each case, shall constitute part of the Obligations, in view of the impracticability and extreme difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each Purchaser’s lost profits as a result thereof. Any prepayment premium required by Section 2.07(e) and any exit fee required by Section 2.10(b) payable pursuant to the preceding sentence shall be presumed to be the liquidated damages sustained by each Purchaser as the result of the

early termination and the Issuers agree that it is reasonable under the circumstances currently existing. The prepayment premium required by Section 2.07(e) and the exit fee required by Section 2.10(b) shall also be payable, in each case, in the event that the Obligations (and/or this Agreement) are satisfied or released by foreclosure (whether by power of judicial proceeding), deed in lieu of foreclosure or by any other means. TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE ISSUERS EXPRESSLY WAIVE THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING PREPAYMENT PREMIUM AND EXIT FEE IN CONNECTION WITH ANY SUCH ACCELERATION. The Issuers expressly agree that (i) the prepayment premium required by Section 2.07(e) and the exit fee required by Section 2.10(b) are reasonable and are the product of an arm's length transaction between sophisticated business people, ably represented by counsel, (ii) the prepayment premium required by Section 2.07(e) and the exit fee required by Section 2.06(b) shall each be payable notwithstanding the then prevailing market rates at the time payment is made, (iii) there has been a course of conduct between the Purchasers and the Issuers giving specific consideration in this transaction for such agreement to pay the prepayment premium required by Section 2.07(e) and the exit fee required by Section 2.10(b), and (iv) the Issuers shall be estopped hereafter from claiming differently than as agreed to in this paragraph. The Issuers expressly acknowledge that their agreement to pay the prepayment premium required by Section 2.07(e) and the exit fee required by Section 2.10(b) as herein described is a material inducement to the Purchasers to purchase the Notes hereunder. Purchasers agree that in connection with any foreclosure or other exercise of rights under this Agreement or any other Note Document with respect to IP Rights, the rights of the licensees under Permitted Licenses will not be terminated, limited or otherwise adversely affected so long as no default exists under the Permitted License that would permit the licensor to terminate such Permitted License (commonly known as a non-disturbance).

#### 9.27 Application of Funds.

(a) After the exercise of remedies provided for in Section 9.02 (or after the Notes issued by the Norwegian Issuer have automatically become immediately due and payable as set forth in the proviso to Section 9.02), any amounts received by any Purchaser or the Collateral Agent on account of the Norwegian Notes Obligations shall be applied by the Collateral Agent in the following order:

First, to payment of that portion of the Norwegian Notes Obligations constituting fees, indemnities, expenses and other amounts (including fees, charges and disbursements of counsel to the Collateral Agent and amounts payable under Article III) payable to the Collateral Agent in its capacity as such;

Second, to payment of that portion of the Norwegian Notes Obligations constituting fees, indemnities and other amounts (other than principal and interest) payable to the Purchasers (including fees, charges and disbursements of counsel to the respective Purchasers) arising under the Note Documents and amounts payable under Article III, ratably among them in proportion to the respective amounts described in this clause Second payable to them;

Third, to payment of that portion of the Norwegian Notes Obligations constituting accrued and unpaid interest on and prepayment premium and exit fees with respect to the Notes issued by the Norwegian Issuer, ratably among the Purchasers in proportion to the respective amounts described in this clause Third held by them;

Fourth, to payment of that portion of the Norwegian Notes Obligations constituting accrued and unpaid principal of the Notes issued by the Norwegian Issuer, ratably among the Purchasers in proportion to the respective amounts described in this clause Fourth held by them; and

Last, the balance, if any, after all of the Norwegian Notes Obligations (other than contingent indemnification obligations for which no claim has been asserted) have been indefeasibly paid in full, to the Norwegian Issuer or as otherwise required by Law.

(b) After the exercise of remedies provided for in Section 9.02 (or after the Notes issued by the US Issuer have automatically become immediately due and payable as set forth in the proviso to Section 9.02), any amounts received by any Purchaser or the Collateral Agent on account of the US Notes Obligations shall be applied by the Collateral Agent in the following order:

First, to payment of that portion of the US Notes Obligations constituting fees, indemnities, expenses and other amounts (including fees, charges and disbursements of counsel to the Collateral Agent and amounts payable under Article III) payable to the Collateral Agent in its capacity as such;

Second, to payment of that portion of the US Notes Obligations constituting fees, indemnities and other amounts (other than principal and interest) payable to the Purchasers (including fees, charges and disbursements of counsel to the respective Purchasers) arising under the Note Documents and amounts payable under Article III, ratably among them in proportion to the respective amounts described in this clause Second payable to them;

Third, to payment of that portion of the US Notes Obligations constituting accrued and unpaid interest on and prepayment premium and exit fees with respect to the Notes issued by the US Issuer, ratably among the Purchasers in proportion to the respective amounts described in this clause Third held by them;

Fourth, to payment of that portion of the US Notes Obligations constituting accrued and unpaid principal of the Notes issued by the US Issuer, ratably among the Purchasers in proportion to the respective amounts described in this clause Fourth held by them; and

Last, the balance, if any, after all of the US Notes Obligations (other than contingent indemnification obligations for which no claim has been asserted) have been indefeasibly paid in full, to the US Issuer or as otherwise required by Law.

## ARTICLE X

### LIBOR AND OTHER PROVISIONS

#### 10.25 Increased Costs, Etc.

The Issuers agree to reimburse the Purchasers for any increase in the cost to the Purchasers of, or any reduction in the amount of any sum receivable by the Purchasers in respect of, the Purchasers' Delayed Draw Note Commitments and the purchase or maintaining of the Notes hereunder that may arise in connection with any Change in Law, except for such changes with respect to increased capital costs and taxes which are governed by Section 10.02 and Article III, respectively. The Collateral Agent shall notify the Issuers in writing of the occurrence of any such event, stating the reasons therefor and the additional amount required fully to compensate the Purchasers for such increased cost or reduced amount. Such additional amounts shall be payable by the Issuers directly to the Purchasers within five days of its receipt of such notice, and

such notice shall, in the absence of manifest error, be conclusive and binding on the Issuers; provided that the Issuers shall not be required to compensate the Purchasers pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Purchaser notifies the Issuers of the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

#### 10.26 Increased Capital Cost.

If any Change in Law affects or would affect the amount of capital required or expected to be maintained by any Purchaser or any Person controlling such Purchaser, and such Purchaser determines (in good faith but in its sole and absolute discretion) that the rate of return on its or such controlling Person's capital as a consequence of the Delayed Draw Note Commitments or the Notes purchased by it hereunder is reduced to a level below that which such Purchaser or such controlling Person could have achieved but for the occurrence of any such circumstance, then upon notice from time to time by such Purchaser to the Issuers, the Issuers shall within five days following receipt of such notice pay directly to such Purchaser additional amounts sufficient to compensate such Purchaser or such controlling Person for such reduction in rate of return; provided that the Issuers shall not be required to compensate the Purchasers pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Purchaser notifies the Issuers of the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof. A statement of such Purchaser as to any such additional amount or amounts shall, in the absence of manifest error, be conclusive and binding on the Issuers. In determining such amount, such Purchaser may use any method of averaging and attribution that it (in its sole and absolute discretion) shall deem applicable.

#### 10.27 LIBOR Not Determinable.

(a) If prior to the commencement of any Interest Period:

- (i) the Collateral Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining LIBOR for such Interest Period; or
- (ii) the Collateral Agent is advised by the Required Purchasers that LIBOR for such Interest Period will not adequately and fairly reflect the cost to such Purchasers of purchasing or maintaining their Notes for such Interest Period;

then the Collateral Agent shall give notice thereof to the Issuers and the Purchasers by telephone or teletype as promptly as practicable thereafter. In the event of any such determination, until the Collateral Agent has advised the Issuers that the circumstances giving rise to such notice no longer exist, LIBOR shall be determined by the Collateral Agent in its sole discretion.

(b) If at any time the Collateral Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in clause (a)(i) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in clause (a)(i) have not arisen but the supervisor for the administrator of the three-month London Interbank Offered Rate or a Governmental Authority having jurisdiction over the Collateral Agent has made a public statement identifying a specific date after which the three-month London Interbank Offered Rate shall no longer be used for determining interest rates for loans, then the Collateral Agent and the

Issuers shall endeavor to establish an alternate rate of interest to the three-month London Interbank Offered Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for loans in the United States at such time, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable. Notwithstanding anything to the contrary in Section 12.01, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Collateral Agent shall not have received, within five (5) Business Days of the date notice of such alternate rate of interest is provided to the Purchasers, a written notice from the Required Purchasers stating that such Required Purchasers object to such amendment.

#### 10.28 Mitigation of Obligations; Replacement of Purchasers.

(a) If any Purchaser requests compensation under Section 10.01 or 10.02, or any Issuer is required to pay any Indemnified Taxes or additional amounts to any Purchaser, or any Governmental Authority for the account of any Purchaser pursuant to Section 3.01, then at the request of such Issuer, such Purchaser shall use commercially reasonable efforts to designate a different lending office for purchasing its Notes hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Purchaser such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01, 10.01 and 10.02, as the case may be, in the future, and (ii) in each case, would not subject such Purchaser to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Purchaser. The Issuers hereby agree to pay all reasonable and documented out-of-pocket costs and expenses incurred by any Purchaser in connection with any such designation or assignment.

(b) Replacement of Purchasers. If any Purchaser requests compensation under Section 10.01 or 10.02, or if any Issuer is required to pay any Indemnified Taxes or additional amounts to any Purchaser or any Governmental Authority for the account of any Purchaser pursuant to Section 3.01, and, in each case, such Purchaser has declined or is unable to designate a different lending office in accordance with Section 10.04(a), the Issuer may replace such Purchaser in accordance with Section 12.13.

## ARTICLE XI

### COLLATERAL AGENT

#### 11.25 Appointment and Authority.

(a) Each of the Purchasers hereby irrevocably appoints Athyrium Opportunities III Acquisition LP to act on its behalf as the Collateral Agent hereunder and under the other Note Documents and authorizes the Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to the Collateral Agent by the terms hereof or thereof, and to act as the agent of such Purchaser for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Note Parties to secure any of the Obligations, together with such powers and discretion as are incidental thereto. Except for the rights of the Issuers under Sections 11.06 and 11.09, the provisions of this Article are solely for the benefit of the Collateral Agent and the Purchasers, and neither the Issuers nor any other Note Party shall have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any other Note Documents (or any other similar term) with reference to the Collateral

Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(b) In this connection, the Collateral Agent and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 11.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Collateral Agent, shall be entitled to the benefits of all provisions of this Article XI and Article XII, as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Note Documents) as if set forth in full herein with respect thereto.

#### 11.26 Rights as a Purchaser.

The Person serving as the Collateral Agent hereunder shall have the same rights and powers in its capacity as a Purchaser as any other Purchaser and may exercise the same as though it were not the Collateral Agent and the term “Purchaser” or “Purchasers” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Collateral Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Note Party or any Subsidiary or other Affiliate thereof as if such Person were not the Collateral Agent hereunder and without any duty to account therefor to the Purchasers.

#### 11.27 Exculpatory Provisions.

The Collateral Agent shall not have any duties or obligations except those expressly set forth herein and in the other Note Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Collateral Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Note Documents that the Collateral Agent is required to exercise as directed in writing by the Required Purchasers (or such other number or percentage of the Purchasers as shall be expressly provided for herein or in the other Note Documents), provided, that, the Collateral Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Collateral Agent to liability or that is contrary to any Note Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law; and

(c) shall not, except as expressly set forth herein and in the other Note Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to any Note Party or any of its Affiliates that is communicated to or obtained by the Person serving as the Collateral Agent or any of its Affiliates in any capacity.

The Collateral Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Purchasers (or such other number or percentage of the Purchasers as shall be necessary, or as the Collateral Agent shall believe in good faith shall be necessary, under the circumstances

as provided in Section 12.01 and Section 9.02) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and non-appealable judgment. The Collateral Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given in writing to the Collateral Agent by an Issuer, or a Purchaser.

The Collateral Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Note Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Note Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in Article V or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Collateral Agent.

#### 11.28 Reliance by Collateral Agent.

The Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the purchase of any Note, that by its terms must be fulfilled to the satisfaction of a Purchaser, the Collateral Agent may presume that such condition is satisfactory to such Purchaser unless the Collateral Agent shall have received notice to the contrary from such Purchaser prior to the purchase of such Note. The Collateral Agent may consult with legal counsel (who may be counsel for the Note Parties), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

#### 11.29 Delegation of Duties.

The Collateral Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Note Document by or through any one or more sub-agents appointed by the Collateral Agent. The Collateral Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Collateral Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Collateral Agent. The Collateral Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Collateral Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

#### 11.30 Resignation of Collateral Agent.

The Collateral Agent may resign as Collateral Agent at any time by giving thirty (30) days advance written notice thereof to the Purchasers and the Issuers and, thereafter, the retiring (or retired) or terminated Collateral Agent shall be discharged from its duties and obligations hereunder. Upon any such resignation, the Required Purchasers shall have the right, subject to the approval of the Issuers (so long as no Event of

Default has occurred and is continuing; such approval not to be unreasonably withheld), to appoint a successor Collateral Agent. If no successor Collateral Agent shall have been so appointed by the Required Purchasers, been approved (so long as no Event of Default has occurred and is continuing) by the Issuers or have accepted such appointment within thirty (30) days after the Collateral Agent's giving of notice of resignation, then the Collateral Agent may, on behalf of the Purchasers, appoint a successor Collateral Agent reasonably acceptable to the Issuers (so long as no Default or Event of Default has occurred and is continuing). Upon the acceptance of any appointment as Collateral Agent hereunder by a successor Collateral Agent, such successor Collateral Agent shall thereupon succeed to and become vested with all rights, powers, privileges and duties of the retiring (or retired) or terminated Collateral Agent. After any retiring Collateral Agent's resignation hereunder as Collateral Agent, the provisions of this Agreement shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as Collateral Agent. If no successor has accepted appointment as Collateral Agent by the date which is thirty (30) days following a retiring Collateral Agent's notice of resignation or notice of Collateral Agent's removal, the retiring Collateral Agent's resignation shall nevertheless thereupon become effective and the Required Purchasers shall perform all of the duties of the Collateral Agent hereunder until such time, if any, as the Required Purchasers appoint a successor agent as provided for above. In the event that a new Collateral Agent is appointed and such Collateral Agent is not an Affiliate of the holders of a majority in interest of the Notes, then the Issuers shall agree to pay to such Collateral Agent the fees and expenses (such fees to be payable annually in advance) that such Collateral Agent may reasonably request in connection with its appointment and service.

#### 11.31 Non-Reliance on Collateral Agent and Other Purchasers.

Each Purchaser acknowledges that it has, independently and without reliance upon the Collateral Agent or any other Purchaser or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Purchaser also acknowledges that it will, independently and without reliance upon the Collateral Agent or any other Purchaser or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Note Document or any related agreement or any document furnished hereunder or thereunder.

#### 11.32 Collateral Agent May File Proofs of Claim.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Note Party, the Collateral Agent (irrespective of whether the principal of any Note shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Collateral Agent shall have made any demand on the Issuers) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Notes and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Purchasers and the Collateral Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Purchasers and the Collateral Agent and their respective agents and counsel and all other amounts due the Purchasers and the Collateral Agent under Section 12.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Purchaser to make such payments to the Collateral Agent and, in the event that the Collateral Agent shall consent to the making of such payments directly to the Purchasers, to pay to the Collateral Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Collateral Agent and its agents and counsel, and any other amounts due the Collateral Agent under Section 12.04.

Nothing contained herein shall be deemed to authorize the Collateral Agent to authorize or consent to or accept or adopt on behalf of any Purchaser any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Purchaser or to authorize the Collateral Agent to vote in respect of the claim of any Purchaser in any such proceeding.

### 11.33 Collateral and Guaranty Matters.

The Purchasers irrevocably authorize the Collateral Agent and Collateral Agent agrees at the request of the Issuers,

(a) to release any Lien on any Collateral granted to or held by the Collateral Agent under any Note Document (i) upon payment in full of all Obligations (other than contingent indemnification obligations for which no claim has been asserted) under the Note Documents, (ii) that is sold or otherwise disposed of to a Person other than a Note Party or Subsidiary as part of or in connection with any sale or other Disposition permitted hereunder or under any other Note Document or any Involuntary Disposition, or (iii) as approved in accordance with Section 12.01;

(b) to release or subordinate any Lien on any property granted to or held by the Collateral Agent under any Note Document to the holder of any Lien on such property that is permitted by Section 8.01(i); and

(c) to release any Guarantor from its obligations under the Guaranty (i) if such Person ceases to be a Subsidiary as a result of a transaction permitted under the Note Documents or (ii) upon termination of all unused Delayed Draw Note Commitments and payment in full of all Obligations (other than contingent indemnification obligations for such no claim has been asserted) under the Note Documents.

Upon request by the Collateral Agent at any time, the Required Purchasers will confirm in writing the Collateral Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty, pursuant to this Section 11.09.

The Collateral Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Collateral Agent's Lien thereon, or any certificate prepared by any Note Party in connection therewith, nor shall the Collateral Agent be responsible or liable to the Purchasers for any failure to monitor or maintain any portion of the Collateral.

In connection with any termination, release or subordination pursuant to this Section 11.09, Collateral Agent shall promptly, upon the request of any Note Party, (x) execute and deliver to such Note Party, at such Note Party's expense, all documents that such Note Party shall reasonably request to evidence such termination, release or subordination, and (y) deliver to the Note Parties, at the expense of the Note Parties, any portion of such Collateral so released in possession of the Collateral Agent.

## ARTICLE XII

### MISCELLANEOUS

#### 12.25 Amendments, Etc.

No amendment or waiver of any provision of this Agreement or any other Note Document, and no consent to any departure by any Issuer or any other Note Party therefrom, shall be effective unless in writing signed by the Required Purchasers and the Issuers or the applicable Note Party, as the case may be, and acknowledged by the Collateral Agent and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, further, that:

(a) no such amendment, waiver or consent shall:

(ii) extend or increase the Delayed Draw Note Commitment of a Purchaser (or reinstate any Delayed Draw Note Commitment terminated pursuant to Section 9.02) without the written consent of such Purchaser whose Delayed Draw Note Commitment is being extended or increased (it being understood and agreed that a waiver of any condition precedent set forth in Section 5.02 or 5.03 or of any Default or a mandatory reduction in Delayed Draw Note Commitments is not considered an extension or increase in Delayed Draw Note Commitments of any Purchaser);

(iii) postpone any date fixed by this Agreement or any other Note Document for any payment of principal (excluding mandatory prepayments), interest, prepayment premiums, fees or other amounts due to the Purchasers (or any of them) or any scheduled or mandatory reduction of the Delayed Draw Note Commitments hereunder or under any other Note Document without the written consent of each Purchaser entitled to receive such payment or whose Delayed Draw Note Commitments are to be reduced;

(iv) reduce the principal of, the rate of interest specified herein on or the prepayment premium specified herein for any Note, or any fees or other amounts payable hereunder or under any other Note Document without the written consent of each Purchaser entitled to receive such payment of principal, interest, fees or other amounts; provided, however, that, only the consent of the Required Purchasers shall be necessary to amend the definition of "Default Rate" or to waive any obligation of the Issuers to pay interest at the Default Rate;

(v) change any provision of this Section 12.01(a) or the definition of "Required Purchasers" without the written consent of each Purchaser directly affected thereby;

(vi) except in connection with a Disposition permitted under Section 8.05, release all or substantially all of the Collateral without the written consent of each Purchaser

directly affected thereby, except to the extent the release of any Collateral is permitted pursuant to Section 11.09 (in which case such release may be made by the Collateral Agent);

(vii) release the Issuers or, except in connection with a merger, amalgamation or consolidation permitted under Section 8.04 or a Disposition permitted under Section 8.05, all or substantially all of the Guarantors without the written consent of each Purchaser directly affected thereby, except to the extent the release of any Guarantor is permitted pursuant to Section 11.10 (in which case such release may be made by the Collateral Agent);

(b) unless also signed by the Collateral Agent, no amendment, waiver or consent shall affect the rights or duties of the Collateral Agent under this Agreement or any other Note Document;

(c) any amendment or waiver pursuant to this Section 12.01 shall apply equally to all holders of the Notes and shall be binding upon them, upon each future holder of the Notes and upon the Note Parties, and shall amend the Notes, in each case whether or not a notation thereof shall have been placed on any such Note. Any such waiver shall be effective only in the specific instance and for the purpose for which given;

(d) notwithstanding any other provision contained in this Section 12.01 or elsewhere in this Agreement to the contrary, Notes which at any time are held by the Issuers or by any of their Affiliates shall not be deemed outstanding for purposes of any vote, consent, approval, waiver or other action required or permitted to be taken by the holders of Notes, or by any of them, under the provisions of this Section 12.01 or Section 9.02 of this Agreement, and neither the Issuers nor any of their Affiliates shall be entitled to exercise any right as a Purchaser or holder of Notes with respect to any such vote, consent, approval or waiver or to take or participate in taking any such action at any time; and

(e) Neither the Issuers nor any of their Affiliates will, directly or indirectly, pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, to any Purchaser as consideration for or as an inducement to the entering into by any Purchaser of any amendment, waiver or consent with respect to any of the terms and provisions of this Agreement or the other Note Documents, unless such remuneration is concurrently offered, on the same terms, ratably to all of holders of Notes which agree to such amendment, waiver or consent.

provided, however, that, notwithstanding anything to the contrary herein, (i) no Defaulting Purchaser shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Purchasers or each affected Purchaser may be effected with the consent of the applicable Purchasers other than Defaulting Purchasers), except that (x) the undrawn Delayed Draw Note Commitment of any Defaulting Purchaser may not be increased or extended without the consent of such Purchaser and (y) any waiver, amendment or modification requiring the consent of all Purchasers or each affected Purchaser that by its terms affects any Defaulting Purchaser more adversely than other affected Purchasers shall require the consent of such Defaulting Purchaser, (ii) each Purchaser is entitled to vote as such Purchaser sees fit on any bankruptcy reorganization plan that affects the Notes, and each Purchaser acknowledges that the provisions of Section 1126(c) of the Bankruptcy Code of the United States supersedes the unanimous consent provisions set forth herein and (iii) the Required Purchasers shall determine whether or not to allow an Issuer to use cash collateral in the context of a bankruptcy or insolvency proceeding and such determination shall be binding on all of the Purchasers.

Notwithstanding anything to the contrary herein, the Collateral Agent and the Issuers may amend or modify this Agreement and any other Note Document to (1) cure any factual or typographical error, omission, defect or inconsistency therein, or (2) grant a new Lien for the benefit of the Purchasers, extend an additional Lien over additional property for the benefit of the Purchasers or join additional Persons as Note Parties.

Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile or electronic mail as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, in each case to the address, facsimile number, electronic mail address or telephone number specified for the Issuers, the other Note Parties (as of the Closing Date), and for the Purchasers (as of the Closing Date) and the Collateral Agent, as set forth on Schedule 12.02.

Notices and other communications to the Collateral Agent or Purchasers hereunder may be furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Collateral Agent, provided, that, the foregoing shall not apply to notices to any Purchaser pursuant to Article II if such Purchaser has notified the Collateral Agent that it is incapable of receiving notices under such Article by electronic communication. Each of the Issuers, other Note Parties, the Collateral Agent and the Purchasers may each, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided, that, approval of such procedures may be limited to particular notices or communications.

Unless the applicable recipient otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement; provided that any notice or communication not so acknowledged shall be deemed received one (1) Business Day following delivery), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor; provided, that, for both clauses (i) and (ii), if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice, email or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(c) Change of Address, Etc. Each of the Issuers, other Note Parties, the Purchasers and the Collateral Agent may change its address, facsimile or telephone number for notices and other communications hereunder by notice to the other parties hereto.

(d) Reliance by Collateral Agent and Purchasers. The Collateral Agent and the Purchasers shall be entitled to rely and act upon any notices purportedly given by or on behalf of any Note Party even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Note Parties shall indemnify the Collateral Agent, each Purchaser and the Related Parties of each of them in accordance with Section 12.04 from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of a Note Party; provided that such indemnity shall not, as to any Person be available to the extent that such losses, costs, expenses or liabilities are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Person. All telephonic notices to and other telephonic communications with the Collateral Agent may be recorded by the Collateral Agent (subject to contemporaneous notice from the Collateral Agent to such Person that the communication is being or will be recorded), and each of the parties hereto hereby consents to such recording.

#### 12.27 No Waiver; Cumulative Remedies; Enforcement.

No failure by any Purchaser or the Collateral Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Note Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Note Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

#### 12.28 Expenses; Indemnity; and Damage Waiver.

(a) Costs and Expenses. The Note Parties shall pay (i) all reasonable and documented out-of-pocket expenses incurred by the Collateral Agent, each Purchaser and their respective Affiliates (limited, in the case of legal counsel, to the reasonable and documented out-of-pocket fees, charges and disbursements of one primary counsel for the Collateral Agent and the Purchasers (taken as a whole) and of a single local counsel to the Collateral Agent and the Purchasers (taken as a whole) in each relevant jurisdiction), in connection with (A) the preparation, negotiation, execution and delivery of this Agreement and the other Note Documents and (B) any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated) or the administration of this Agreement and the other Note Documents and (ii) all reasonable and documented out-of-pocket expenses incurred by the Collateral Agent or any Purchaser (but limited in the case of legal counsel, to the reasonable and documented out-of-pocket fees, charges and disbursements of one primary counsel for the Collateral Agent and the Purchasers (taken as a whole), and, of a single local counsel to the Collateral Agent and the Purchasers (taken as a whole) in each relevant jurisdiction (and, in the case of an actual or perceived conflict of interest where the party affected by such conflict informs the Issuers of such conflict and thereafter retains its own counsel, of one additional primary firm of counsel for all such affected parties (taken as a whole) and one additional firm of counsel for all such affected parties (taken as a whole) in each relevant jurisdiction), in connection with the enforcement or

protection of its rights (A) in connection with this Agreement and the other Note Documents, including its rights under this Section, or (B) in connection with the Notes made hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Notes. It is understood and agreed that the Note Parties shall not be required to pay costs, fees and expenses incurred prior to the Closing Date in connection with the preparation, negotiation, execution and delivery of this Agreement, the other Note Documents dated as of the Closing Date, and the issuance and purchase of the Initial Notes in excess of \$250,000.

(b) Indemnification by the Note Parties.

(ii) The Note Parties shall indemnify the Collateral Agent (and any sub-agent thereof) and each Purchaser, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (but limited, in the case of legal counsel, to the reasonable and documented out-of-pocket fees, charges and disbursements of one primary counsel for the Indemnitees (taken as a whole), and, of a single local counsel to the Indemnitees (taken as a whole) in each relevant jurisdiction (and, in the case of an actual or perceived conflict of interest where the party affected by such conflict informs the Issuers of such conflict and thereafter retains its own counsel, of one additional primary firm of counsel for all such affected parties (taken as a whole) and one additional firm of counsel for all such affected parties (taken as a whole) in each relevant jurisdiction), incurred by any Indemnitee or asserted against any Indemnitee by any Person (including the Issuers or any other Note Party) arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Note Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, or, in the case of the Collateral Agent (and any sub-agent thereof) and its Related Parties only, the administration of this Agreement and the other Note Documents, (ii) any Note or the use or proposed use of the proceeds therefrom, (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by a Note Party or any of its Subsidiaries, or any Environmental Liability related in any way to a Note Party or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by any Issuer or any other Note Party, and regardless of whether any Indemnitee is a party thereto, in all cases, whether or not caused by or arising, in whole or in part, out of the comparative, contributory or sole negligence of the Indemnitee; provided, that, such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (i) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from (A) the gross negligence, or willful misconduct of such Indemnitee, or (B) a claim brought by any Note Party against an Indemnitee for material breach of such Indemnitee’s obligations hereunder or under any other Note Document, or (ii) arise solely from a dispute among the Indemnitees (except (1) when and to the extent that one of the Indemnitees party to such dispute was acting in its capacity or in fulfilling its role as Collateral Agent, or any similar role under this Agreement or any other Note Document or (2) any claims arising out of any act or omission of any of the Note Parties or any of their Affiliates) that does not involve any act or omission of the Note Parties or any of their respective Affiliates. This Section 12.04(b) shall not apply with respect to (x) Taxes other than any Taxes that represent liabilities, obligations, losses, damages, penalties, claims, costs,

expenses and disbursements arising from any third party claim or any other non-Tax claim and (y) yield protection matters covered by Sections 10.01 and 10.02, which shall be governed exclusively by Sections 10.01 and 10.02.

(iii) Notwithstanding the foregoing in this Section 12.04(b), the Issuers shall not be liable for any settlement of any proceeding effected without the Issuers' consent (which consent shall not be unreasonably withheld, delayed or conditioned), but if settled with the Issuers' written consent, or if there is a judgment against an Indemnitee in any such proceeding, the Issuers shall indemnify and hold harmless each Indemnitee to the extent and in the manner set forth above. The Issuers shall not, without the prior written consent of an Indemnitee (which consent shall not be unreasonably withheld, conditioned or delayed), effect any settlement of any pending or threatened proceeding against such Indemnitee in respect of which indemnity could have been sought hereunder by such Indemnitee unless (a) such settlement includes an unconditional release of such Indemnitee from all liability or claims that are the subject matter of, or arise out of, such proceeding and (b) such settlement does not include any statement as to, or any admission of fault, culpability, wrongdoing or a failure to act by or on behalf of such Indemnitee.

(c) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable law, none of the Note Parties, the Collateral Agent, any Purchaser, any other party thereto or any Indemnitee shall assert, and each such Person hereby waives, and acknowledges that no other Person shall have, any claim against any other such Person, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Note Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Note or the use of the proceeds thereof; provided, that, the foregoing shall in no event limit the indemnification obligations of the Note Parties under subsection (b) above to the extent such special, indirect, consequential or punitive damages are included in any third party claim in connection with which such Indemnitee is otherwise entitled to indemnification hereunder. No Indemnitee referred to in subsection (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Note Documents or the transactions contemplated hereby or thereby, other than any liability arising from the gross negligence, or willful misconduct of such Indemnitee as determined by a court of competent jurisdiction by final and nonappealable judgment.

(d) Payments. All amounts due under this Section shall be payable not later than ten Business Days after demand therefor.

(e) Survival. The agreements in this Section and the indemnity provisions of Section 12.02(d) shall survive the resignation of the Collateral Agent, the transfer of any Note, the replacement of any Purchaser, the termination of the Delayed Draw Note Commitments and the repayment, satisfaction or discharge of all the other Obligations.

#### 12.29 Marshalling; Payments Set Aside.

None of the Collateral Agent or the Purchasers shall be under any obligation to marshal any assets in favor of any Note Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any payment by or on behalf of any Note Party is made to the Collateral Agent or any Purchaser,

or the Collateral Agent or any Purchaser exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Collateral Agent or such Purchaser in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred.

### 12.30 Successors and Assigns; Transfers.

(a) Successors and Assigns Generally. The provisions of this Agreement and the other Note Documents shall be binding upon and inure to the benefit of the parties hereto and thereto and their respective successors and assigns permitted hereby, except that the Issuers and the other Note Parties may not assign or otherwise transfer any of their respective rights or obligations hereunder or thereunder without the prior written consent of the Purchasers and, except as otherwise set forth herein, so long as no Default or Event of Default has occurred and is continuing, no Purchaser may assign or otherwise transfer any of its rights or obligations hereunder except with the prior written consent of the Issuers. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, and, to the extent expressly contemplated hereby, the Related Parties of each of the Collateral Agent and the Purchasers) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Transfers by Purchasers. Each Purchaser shall be entitled to transfer, with the consent of the Issuers, such consent not to be unreasonably withheld or delayed (it being understood that the Issuers' consent may be withheld or delayed pending resolution of the amendments to the Note Documents contemplated by Section 12.06(i)) and not required for a transfer (x) to or in favor of any Affiliate of such Purchaser or any Approved Fund (or a limited partner or other investor in an Approved Fund, so long as after giving effect to such transfer, Athyrium Opportunities III Acquisition LP and its Approved Funds collectively constitute Required Purchasers) or (y) during the continuance of an Event of Default, (i) Notes, in an aggregate principal amount greater than or equal to \$1,000,000 thereof (*provided* that in the case of a transfer of Notes to or in favor of any Affiliate of such Purchaser or any Approved Fund (or a limited partner or other investor in an Approved Fund, so long as after giving effect to such transfer, Athyrium Opportunities III Acquisition LP and its Approved Funds collectively constitute Required Purchasers), no minimum shall apply); and (ii) Delayed Draw Note Commitments (with the consent of the Required Purchasers, which is not required for a transfer to or in favor of any Affiliate of such Purchaser or any or any Approved Fund (or a limited partner or other investor in an Approved Fund, so long as after giving effect to such transfer, (x) Athyrium Opportunities III Acquisition LP and its Approved Funds collectively constitute Required Purchasers and (y) the transferring Purchaser remains obligated to fund the amount of its transferred Delayed Draw Note Commitments if the transferee fails to fund when required to do so pursuant to the terms hereof); *provided* that in no event shall any equityholder of Parent (other than a Purchaser, its Affiliates or any Approved Fund (or a limited partner or other investor in an Approved Fund, so long as after giving effect to such transfer, Athyrium Opportunities III Acquisition LP and its Approved Funds collectively constitute Required Purchasers)) or any Subsidiary or any of their respective Affiliates purchase or be the recipient of a transfer of any Note without the prior written consent of the Required Purchasers; *provided, further*, that in no event shall a Defaulting Purchaser purchase or be the recipient of a transfer of any Note or Delayed Draw Note

Commitment while such Purchaser is a Defaulting Purchaser; *provided, further*, so long as no Event of Default has occurred and is continuing, in no event shall any Competitor, any of its Subsidiaries or any of their respective Affiliates purchase or be the recipient of a transfer of any Note or Delayed Draw Note Commitment at any time. Each transferee pursuant to this Section 12.06(b) shall provide the Issuer and the Collateral Agent with (i) prompt written notice of any transfer that is effected and (ii) concurrently with any such transfer, an officer's certificate from an authorized Person of such transferee certifying to the matters contemplated by Article VI-A. All transfers pursuant to this Section 12.06(b) shall be made in accordance with all applicable requirements of the Securities Act of 1933 and any applicable securities laws of any U.S. state.

(c) Transfers by Defaulting Purchasers. In connection with any assignment of rights and obligations of any Defaulting Purchaser hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Collateral Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Parent and the Collateral Agent, the applicable pro rata share of Notes previously issued but not purchased by the Defaulting Purchaser, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Purchaser to the Collateral Agent or any Purchaser hereunder (and interest accrued thereon) and (y) purchase (and fund as appropriate) its full pro rata share of all Notes. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Purchaser hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Purchaser for all purposes of this Agreement until such compliance occurs.

(d) Transfer in Contravention of this Section Void. Any attempt to transfer any Note or portion thereof not in compliance with this Agreement shall be null and void and neither the Issuers nor any transfer agent shall give any effect in the Issuers' Note register to such attempted transfer.

(e) No Future Liability. Following the sale of any Note or portion thereof by the Purchasers to any subsequent Purchasers pursuant to the terms hereof, the Purchasers shall not be liable or responsible to the Issuers for any losses, damages or liabilities suffered or incurred by the Issuers, including any losses, damages or liabilities under the Securities Act, arising from or relating to any resale or transfer of any security previously sold by the Purchaser in compliance with this Section 12.06.

(f) Securities Register. Each Issuer will keep at its principal executive office a register, in which, subject to such reasonable regulations as it may prescribe, but at its expense, and such Issuer will provide for the registration and transfer of Notes. Whenever any Note shall be surrendered either at the principal executive office of such Issuer (or at the place of payment named in the Note), for transfer or exchange, accompanied, if so required by such Issuer, by a written instrument of transfer in form reasonably satisfactory to such Issuer duly executed by the holder thereof or by such holder's attorney duly authorized in writing, such Issuer will execute and deliver in exchange therefor a new Note or Notes, in such denominations as may be requested by such holder, of like tenor and in the same aggregate unpaid principal amount as the aggregate unpaid principal amount of the Note or Notes so surrendered. Any Note issued in exchange for any other Note or upon transfer thereof shall carry the rights to unpaid interest and interest to accrue which were carried by the Note so

exchanged or transferred, and neither gain nor loss of interest shall result from any such transfer or exchange. Any transfer tax or governmental charge relating to such transaction shall be paid by the holder requesting the exchange. The entries in the register shall be conclusive and binding for all purposes, absent manifest error and such Issuer, the Purchasers and any of their respective agents may treat the Person in whose name any Note is registered as the sole and exclusive record and beneficial holder and owner of such Note for all purposes whatsoever. This Section 12.06(f) shall be construed so that such obligations are at all times maintained in “registered form” within the meaning of Section 163(f), 871(h)(2) and 881(c)(2) of the Internal Revenue Code and any related regulations (and any other relevant or successor provisions of the Internal Revenue Code or such regulations).

(g) Lost, Stolen Damaged or Destroyed Notes. At the request of any holder of any Note, the applicable Issuer will issue and deliver at its expense, in replacement of any Note lost, stolen, damaged or destroyed, upon surrender thereof, if mutilated, a new Note in the same aggregate unpaid principal amount, and otherwise of the same tenor, as the Note so lost, stolen, damaged or destroyed, duly executed by such Issuer. Such Issuer may condition the replacement of a Note reported by the holder thereof as lost, stolen, damaged or destroyed, upon the receipt from such holder of an indemnity and/or security reasonably satisfactory to such Issuer; *provided*, that if such holder shall be a Purchaser or any affiliate or nominee thereof, such Purchaser’s unsecured agreement of indemnity shall be sufficient for purposes of this Section 12.06(g).

(h) Transfer of Delayed Draw Note Commitments. Subject to compliance with the other provisions of this Section 12.06, any transfer of Notes or Delayed Draw Note Commitments shall be effective upon the execution and delivery, by the transferor and the transferee (to the extent required by Section 12.06(b), with the consent of the Issuers and the Required Purchasers), pursuant to an Assignment and Assumption.

(i) Transfer to Non-Athyrium Affiliates. Prior to any transfer of Notes or Delayed Draw Note Commitments hereunder by a Purchaser to a Person that is not an Affiliate of Athyrium Opportunities II Acquisition LP or Athyrium Opportunities III Acquisition LP, the Purchasers, the Collateral Agent (or its prospective successor) and the Issuers shall negotiate in good faith to amend the Note Documents to provide for certain customary provisions contained in agreements evidencing secured debt held by multiple lenders or investors that are not Affiliates, including to permit the Issuers to make payments and deliver notices and other information hereunder solely to the Collateral Agent, acting on behalf of the Purchasers, and, if the Collateral Agent is also a Purchaser, permit the Collateral Agent to make certain additional determinations and take certain additional actions, including those with respect to Collateral, on behalf of the Purchasers, without their consent, not currently contemplated by the Note Documents to be made or taken by the Collateral Agent.

#### 12.31 Treatment of Certain Information; Confidentiality.

Each of the Collateral Agent and the Purchasers agrees to maintain the confidentiality of, and not disclose, the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its Related Parties (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information prior to or upon such disclosure and instructed to keep such Information confidential and the Collateral Agent and Purchasers, as applicable, shall be responsible for any failure by such Related Parties to maintain the confidentiality thereof), (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or its

Related Parties (including any self-regulatory authority, such as the National Association of Insurance Commissioners), in which case the disclosing party agrees, to the extent permitted by law, rule or regulation and reasonably practicable, to promptly inform the Issuers, except with respect to any audit or examination conducted by bank accountants or any regulatory authority, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process; provided, that, (x) prior to any disclosure under this clause (c), the Collateral Agent or such Purchaser agrees to endeavor to provide the Issuers with prior notice thereof to the extent that the Collateral Agent or such Purchaser is permitted to provide such prior notice to the Issuers pursuant to the terms of applicable laws and regulations or such subpoena or legal process, as the case may be, and (y) any disclosure under this clause (c) pursuant to subpoena or similar legal process shall be limited solely to that portion of the Information as may be compelled by such subpoena or similar legal process, (d) to any other party hereto, (e) as may be reasonably necessary in connection with the exercise of any remedies hereunder or under any other Note Document or any action or proceeding relating to this Agreement or any other Note Document or the enforcement of rights hereunder or thereunder, (f) subject to a written agreement containing provisions substantially the same as those of this Section, to (i) any assignee or transferee of, or any prospective assignee or transferee of, any of its rights and obligations under this Agreement or (ii) any actual or prospective party (or its Related Parties) to any swap, derivative or other transaction under which payments are to be made by reference to a Note Party and its obligations, this Agreement or payments hereunder, (g) on a confidential basis to (i) any rating agency in connection with rating the Issuers or their Subsidiaries or the credit facilities provided hereunder or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers or other market identifiers with respect to the credit facilities provided hereunder, (h) with the consent of the Issuers, (i) to the members of its investment committee (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential) or (j) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Collateral Agent, any Purchaser or any of their respective Affiliates on a nonconfidential basis from a source other than the Note Parties who is not, to the knowledge of the Collateral Agent or such Purchaser, in breach of any obligation of confidentiality to any Note Party or Subsidiary with respect to such Information.

For purposes of this Section, “Information” means all information received from a Note Party or any Subsidiary relating to the Note Parties or any Subsidiary or any of their respective businesses, other than any such information that is available to the Collateral Agent or any Purchaser on a nonconfidential basis prior to disclosure by such Note Party or any Subsidiary. Any Person required to maintain the confidentiality of, and not disclose, Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

#### 12.32 Set-off.

If an Event of Default shall have occurred and be continuing, each Purchaser and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Purchaser or any such Affiliate to or for the credit or the account of the Issuers or any other Note Party against any and all of the obligations of the Issuers or such Note Party now or hereafter existing under this Agreement or any other Note Document to such Purchaser or its Affiliates, irrespective of whether or not such Purchaser or Affiliate shall have made any demand under this Agreement or any other Note Document and although such obligations of the applicable Issuer or such Note Party may be contingent or unmatured or are owed to a branch office or Affiliate of such Purchaser different from the branch office or

Affiliate holding such deposit or obligated on such indebtedness; provided, that, in the event that any Defaulting Purchaser shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Collateral Agent for further application in accordance with the provisions of Section 2.15 and, pending such payment, shall be segregated by such Defaulting Purchaser from its other funds and deemed held in trust for the benefit of the Collateral Agent and the Purchasers and (y) the Defaulting Purchaser shall provide promptly to the Collateral Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Purchaser as to which it exercised such right of setoff. The rights of each Purchaser and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Purchaser or their respective Affiliates may have. Each Purchaser agrees to notify the Issuers promptly after any such setoff and application, provided, that, the failure to give such notice shall not affect the validity of such setoff and application.

#### 12.33 Interest Rate Limitation.

Notwithstanding anything to the contrary contained in any Note Document, the interest paid or agreed to be paid under the Note Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "Maximum Rate"). If any Purchaser shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Notes or, if it exceeds such unpaid principal, refunded to the applicable Issuer. In determining whether the interest contracted for, charged, or received by the Collateral Agent or a Purchaser exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

#### 12.34 Counterparts; Integration; Effectiveness.

This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Note Documents, the Purchasers or Collateral Agent, constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging means (e.g. "pdf" or "tif") shall be effective as delivery of a manually executed counterpart of this Agreement.

#### 12.35 Survival of Representations and Warranties.

All representations and warranties made hereunder and in any other Note Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof and shall continue in full force and effect as long as any Note or other Obligation (other than contingent indemnification obligations for which no claim has been asserted) hereunder shall remain unpaid or unsatisfied. Such representations and warranties have been or will be relied upon by the Collateral Agent and each Purchaser, regardless of any investigation made by the Collateral Agent or any Purchaser or on their behalf and notwithstanding that the Collateral Agent or any Purchaser may have had notice or knowledge of any Default at the time of any purchase of the Notes, and shall continue in full force and effect as long as any Note or any other Obligation (other than contingent indemnification obligations for which no claim has been asserted) hereunder shall remain unpaid or unsatisfied.

#### 12.36 Severability.

If any provision of this Agreement or the other Note Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Note Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 12.12, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Purchasers shall be limited by Debtor Relief Laws, as determined in good faith by the Collateral Agent, then such provisions shall be deemed to be in effect only to the extent not so limited.

#### 12.37 Replacement of Purchasers.

If any Issuer is entitled to replace a Purchaser pursuant to the provisions of Section 10.04, or if any Purchaser is a Defaulting Purchaser or a Non-Consenting Purchaser, then such Issuer may, at its sole expense and effort, upon written notice to such Purchaser and the Collateral Agent, require such Purchaser to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 12.06), all of its interests, rights (other than its existing rights to payments pursuant to Section 3.01, 10.01 and 10.02) and obligations under this Agreement and the related Note Documents to an assignee that shall assume such obligations (which assignee may be another Purchaser, if a Purchaser accepts such assignment), provided, that:

(a) such Purchaser shall have received payment of an amount equal to one hundred percent (100%) of (x) the outstanding principal of its Notes, accrued interest thereon and all other amounts payable to it hereunder and under the other Note Documents (other than prepayment premium and exit fees) from the assignee (to the extent of such outstanding principal and accrued interest) or the Issuer (in the case of all other amounts) and (y) other than a Purchaser that is a Defaulting Purchaser pursuant to clause (a), (b) or (c) of the definition thereof, the prepayment premium required by Section 2.07(d) and the exit fee required by Section 2.10(b), in each case, from such Issuer, as if such assignment was a prepayment of one hundred percent (100%) of the outstanding principal amount of such assignor's Notes on the effective date of such assignment; and

(b) such assignment does not conflict with applicable Laws;

(c) in the case of any such assignment resulting from a claim for compensation under Section 10.01 or 10.02 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter; and

(d) in the case of any such assignment resulting from a Non-Consenting Purchaser's failure to consent to a proposed change, waiver, discharge or termination with respect to any Note Document, the applicable replacement bank, financial institution or fund consents to the proposed change, waiver, discharge or termination.

Notwithstanding anything to the contrary set forth herein, the failure by any Purchaser replaced pursuant to this Section 12.13 to execute and deliver an Assignment and Assumption shall not impair the validity of the removal of such Purchaser and the mandatory assignment of such Purchaser's Delayed Draw Commitments and outstanding Notes pursuant to this Section 12.13 shall nevertheless be effective without the execution by such Purchaser of an Assignment and Assumption.

A Purchaser shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Purchaser or otherwise, the circumstances entitling the applicable Issuer to require such assignment and delegation cease to apply.

12.38 Governing Law; Jurisdiction; Etc.

(a) GOVERNING LAW. THIS AGREEMENT AND THE OTHER NOTE DOCUMENTS (EXCEPT, AS TO ANY OTHER NOTE DOCUMENT, AS EXPRESSLY SET FORTH THEREIN) AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER NOTE DOCUMENT (EXCEPT, AS TO ANY OTHER NOTE DOCUMENT, AS EXPRESSLY SET FORTH THEREIN) AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) SUBMISSION TO JURISDICTION. THE ISSUERS AND EACH OTHER NOTE PARTY IRREVOCABLY AND UNCONDITIONALLY AGREE THAT THEY WILL NOT COMMENCE ANY ACTION, LITIGATION OR PROCEEDING OF ANY KIND OR DESCRIPTION, WHETHER IN LAW OR EQUITY, WHETHER IN CONTRACT OR IN TORT OR OTHERWISE, AGAINST THE COLLATERAL AGENT, ANY PURCHASER OR ANY RELATED PARTY OF THE FOREGOING IN ANY WAY RELATING TO THIS AGREEMENT OR ANY OTHER NOTE DOCUMENT OR THE TRANSACTIONS RELATING HERETO OR THERETO, IN ANY OTHER FORUM OTHER THAN THE COURTS OF THE STATE OF NEW YORK AND ANY UNITED STATES DISTRICT COURT IN THE STATE OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF LOCATED IN NEW YORK COUNTY, NEW YORK, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS TO THE JURISDICTION OF SUCH COURTS AND AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION, LITIGATION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER NOTE DOCUMENT SHALL AFFECT ANY RIGHT THAT THE COLLATERAL AGENT OR ANY PURCHASER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER NOTE DOCUMENT AGAINST THE ISSUERS OR ANY OTHER NOTE PARTY OR THEIR RESPECTIVE PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) WAIVER OF VENUE. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVE, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT ANY OF THEM MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER NOTE DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 11.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW. THE NORWEGIAN ISSUER AND EACH OTHER NOTE PARTY NOT ORGANIZED IN THE UNITED STATES HEREBY IRREVOCABLY APPOINTS THE US ISSUER AS ITS AUTHORIZED AGENT UPON WHICH PROCESS MAY BE SERVED IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER NOTE DOCUMENT, AND AGREES THAT SERVICE OF PROCESS UPON SUCH AGENT, AND WRITTEN NOTICE OF SAID SERVICE TO THE US ISSUER, BY THE PERSON SERVING THE SAME TO THE ADDRESS PROVIDED IN SCHEDULE 12.02, SHALL CONSTITUTE EFFECTIVE SERVICE OF PROCESS ON THE NORWEGIAN ISSUER OR OTHER APPLICABLE NOTE PARTY IN ANY SUCH ACTION OR PROCEEDING.

12.39 Waiver of Right to Trial by Jury.

EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER NOTE DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER NOTE DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

12.40 Judgment Currency.

(a) If, for the purpose of obtaining judgment in any court, it is necessary to convert a sum owing hereunder in one currency into another currency, each party hereto agrees, to the fullest extent that it may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures in the relevant jurisdiction the first currency could be purchased with such other currency on the Business Day immediately preceding the day on which final judgment is given.

(b) The obligations of any Note Party in respect of any sum due to any party hereto or any holder of the Obligations owing hereunder (the "Applicable Creditor") shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than the currency in which such sum is stated to be due hereunder (the "Agreement Currency"), be discharged only to the extent that, on the Business Day following receipt by the Applicable Creditor of any sum adjudged to be so due in the Judgment Currency, the Applicable Creditor may in accordance with normal banking procedures in the relevant jurisdiction purchase the Agreement Currency with the Judgment Currency; if the amount of the Agreement Currency so purchased is less than the sum originally due to the Applicable Creditor in the Agreement Currency, each Note Party agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Applicable Creditor against such loss. The obligations of the Note Parties contained in this Section 12.16 shall survive the termination of this Agreement and the payment of all other amounts owing hereunder.

#### 12.41 Electronic Execution of Assignments and Certain Other Documents.

The words “execute,” “execution,” “signed,” “signature” and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures, the electronic matching of terms and contract formations on electronic platforms approved by the Purchasers, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

#### 12.42 USA PATRIOT Act.

Each Purchaser that is subject to the Act (as hereinafter defined) and the Collateral Agent (for itself and not on behalf of any Purchaser) hereby notifies the Issuers and the other Note Parties that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “Act”), it is required to obtain, verify and record information that identifies each Note Party, which information includes the name and address of each Note Party and other information that will allow such Purchaser or the Collateral Agent, as applicable, to identify each Note Party in accordance with the Act. The Issuers and other Note Parties agree to, promptly following a request by the Collateral Agent or any Purchaser, provide all such other documentation and information that the Collateral Agent or such Purchaser requests in order to comply with its ongoing obligations under applicable “know your customer” and anti-money laundering rules and regulations, including the Act.

#### 12.43 No Advisory or Fiduciary Relationship.

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Note Document), the Issuers acknowledge and agree, and acknowledge their Affiliates’ understanding, that: (a)(i) the arranging and other services regarding this Agreement provided by the Collateral Agent, Athyrium, and the Purchasers are arm’s-length commercial transactions between the Issuers and their Affiliates, on the one hand, and the Collateral Agent, Athyrium and the Purchasers on the other hand, (ii) the Issuers have consulted their own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (iii) the Issuers are capable of evaluating, and understand and accept, the terms, risks and conditions of the transactions contemplated hereby and by the other Note Documents; (b)(i) the Collateral Agent, Athyrium and each Purchaser is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not and will not be acting as an advisor, agent or fiduciary, for the Issuers or any of their Affiliates or any other Person and (ii) neither the Collateral Agent nor any Purchaser has any obligation to the Issuers or any of their Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Note Documents; and (c) the Collateral Agent, Athyrium and the Purchasers and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Issuers and their Affiliates, and neither the Collateral Agent, Athyrium nor any Purchaser has any obligation to disclose any of such interests to the Issuers or their Affiliates. To the fullest extent permitted by law, the Issuers hereby waive and release, any claims that they may have against the Collateral Agent, Athyrium or any Purchaser with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

#### 12.44 Acknowledgement and Consent to Bail-In of EEA Financial Institutions.

Notwithstanding anything to the contrary in any Note Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Purchaser that is an EEA Financial Institution arising under any Note Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Purchaser that is an EEA Financial Institution; and (b) the effects of any Bail-In Action on any such liability, including, if applicable: (i) a reduction in full or in part or cancellation of any such liability; (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Note Document; or (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.
